HISTORY AND PROGRESS

MACOMB COUNTY HISTORY

Named in honor of General Alexander Macomb, a highly decorated veteran of the War of 1812, Macomb County was formally organized on January 15, 1818 as the third county in the Michigan territory. At that time, it covered a much larger area than it does today. In 1819 and 1820, large portions of the county were removed to form the counties of Oakland, Lapeer, Genesee and St. Clair.

The first Europeans arrived in the area during the 17th century. They included French fur trappers who recognized the richness of the marshes and sought new opportunities for trade. Moravian missionaries established the first organized, non-native settlement in the county in 1782 as a refuge for Christianized Indians driven out of Ohio. They built along the banks of the Clinton River, then known as the Huron River, but were forced to leave four years later by the Chippewa Indians. In the late 1790s, Christian Clemens visited the area, and in March 1800, purchased a distillery considered the first building on the site of the future Mount Clemens. The next year he purchased 500 acres for development. This site, known as High Banks, was platted as the Village of Mount Clemens in 1818, when it was proclaimed the Macomb County Seat.

In the early 1800s, and at least by 1840, settlers moved into the interior of the county, carving out farms from the hardwood forests. The roots of the county villages and townships were established by this time. In addition to the original French and English, later settlers included Germans, Belgians and others who came directly from Europe.

In the 1870s, mineral baths brought international fame to Mount Clemens. Many believed the waters had healing powers. Although the stream still runs beneath the city, interest in the spas died out in the early 20th century. Recently, there has been a reemergence of interest in the mineral baths now being offered at Henry Ford Macomb-East Campus in Mount Clemens.

Between 1920 and 1930, Macomb County doubled in population, rising from 38,103 to 77,146 persons. Two significant developments spurred this growth – the establishment of Selfridge Field in 1917, and the beginning of the urbanization movement northward from the City of Detroit. During the 1940s and the 1950s the movement from the central city to the suburbs increased. The largest growth occurred between 1950 and 1970, when over 440,000 people were added to Macomb County's population.

Today, Macomb County encompasses 482 square miles, and ranks third in population in the state, with a 2010 census total of 840,978 persons. The county is recognized as a leader in business and industry, and designated as a "Community of Economic Excellence" by the State of Michigan.

History prepared in consultation with the Macomb County Historical Society and Crocker House Museum.

MACOMB COUNTY EMBLEM

Dominating the emblem of Macomb County is the county outline, flanked by a sailboat and three gears in representation of the area's recreation and industry. The banner crossing through the symbol represents progress. Encircling the emblem are the words "Macomb County" and "Michigan," separated by five-pointed stars as symbols of quality.

MACOMB COUNTY BUILDING

Plans for the 12-story, limestone-clad Macomb County building began to take shape in August, 1930, when architect George J. Haas of St. Clair Shores submitted his Art Deco design. The winning bid for the new structure went to the Otto Misch Company and construction began in 1931 with a crew of 75 men (mainly Macomb County residents) who worked tirelessly around the clock to bring the new building to life.

Notable design elements of the "Old County Building" include the iconic architectural ornaments of eight stone faces chosen specifically in tribute to nearby Selfridge Field and paying homage to the county's history. Designed by native Detroit, architectural sculptor Louis Sielaff, the faces chosen to gaze from the roofline include a soldier, sailor, airman (pre-Air Force), Marine (WWI Doughboy), two Native Americans, and two Revolutionary War soldiers. Sielaff's creations were fabricated from granite and have stood guard atop the county building for the past 86 years.

MACOMB COUNTY BICENTENNIAL CELEBRATION

In 2018, Macomb County celebrates its 200th anniversary. On January 15, 1818, Macomb County became the third county in the Michigan territory. Originally covering a much larger area than we know today, large portions of the county were removed in 1819 and 1820 forming Oakland, Lapeer, Genessee and St. Clair counties.

Today the county boasts 17,000 acres of parks and other recreational sites, eclectic downtown communities, and a dynamic and prospering workforce. 32 miles of Lake St. Clair shoreline along with 81 miles of the Clinton River lie within the county and have been boosting the local economy from its beginning.

In celebration of this momentous anniversary, events will be scheduled throughout all of 2018. Please visit macomb200.org for upcoming events, event submission, historic timeline, and details of the bicentennial kickoff celebration.

COMMISSION PROGRAMS

MACOMB COUNTY CASUAL DAY PROGRAM

The Macomb County Board of Commissioners is pleased to offer the Macomb County Casual Day Charitable Collections Program. Employees who choose to participate (with department leadership permission) may wear casual clothing to work on Fridays (or other designated day) by donating at least a dollar to be donated to assigned charitable organizations. Once a year, generally in the fall, the BOC accepts nominations of charitable organizations. Organizations which indicate their desire to be recipients of the collected funds submit a letter, proof of charitable organization status, and solicitation license from the State Attorney General's Office. If more submissions than collection dates are received, a lottery is held to determine a schedule for the upcoming year.

Please contact the BOC for more information on becoming a recipient of Casual Day funds or for participation details.

GREEN SCHOOLS PROGRAM

The Michigan Green Schools Program is an initiative that aims to encourage students to learn more about energy efficiency, ecology and environmental stewardship practices through fun and interactive activities. The Macomb County program has been in place in Macomb County for 9 years running. We look forward each year to planning special events which coincide with the Program.

The Green Schools program is unique because it instills a real can-do and community spirit in students at an early age. It enhances their education, provides a glimpse of real-world problem solving and showcases potential career paths in environmental, public service and various other sectors.

By supporting a program such as the Green Schools program, leaders help to instill a sense of community, and provide our students with a sense of responsibility and ownership for our shared future.

Each year, as part of the Macomb County Green Schools program, students have the opportunity to create and submit a logo which may be considered for use specifically in Macomb County Green Schools program materials in the upcoming year.

Of those achieving Official Michigan Green School status:

- 11 have participated every single year since the beginning of our program
- 125 have robust recycling programs
- 125 have energy efficiency activities in place; meaning that they are saving resources and saving money.

Be sure to check out events going on at Macomb County Green Schools by visiting our Info-Ideas-Events page at greenschools.macombgov.org where you can also notify us of additional Green Schools ideas for promotion.

MACOMB COUNTY BOARD

VOLUNTEER RECOGNITION PROGRAM

For over 28 years, the Macomb County Board of Commissioners has proudly recognized the many valuable contributions made by our most-deserving and dedicated volunteers who have selflessly committed their time toward enriching Macomb County and its community members.

Each year, volunteers 18 years of age or older, who have performed at least 150 hours of service during the prior calendar year, have the opportunity to be nominated for the Volunteer Recognition Award. Outstanding accomplishments and long-term service are highlighted for each individual.

Every April During "National Volunteer Recognition Month," the County Board honors exceptional volunteers who either reside in, or whose volunteer efforts benefit Macomb County. The Board invites each volunteer being recognized to attend a Full Board meeting to honor and give thanks for their outstanding volunteer efforts throughout the year.

YOGA AT THE HILL EVENT

Beginning in 2016, The Macomb County Board of Commissioners has offered the opportunity for everyone, regardless of age or experience level, to learn about the beneficial practice of yoga and to have the option to personally participate in a group yoga session.

This annual event is an excellent opportunity to try yoga for the first time, to revisit past practice, or to enhance a current routine. Yoga is for EVERYbody!

In addition to yoga sessions for both adults and children, resource providers are in attendance at the event to provide information, offer raffles and free giveaways, and information on healthy living products, companies and services.

The Brownfield Redevelopment Authority promotes the revitalization of environmentally distressed areas, either by providing incentives for developers to clean up contaminated or functionally obsolete property, or by receiving grants to perform the clean up before a development is involved, or a combination of the two. A Brownfield Redevelopment Authority may use Tax Increment Financing (TIF) as a tool for property redevelopment. An authority may: (1) capture increases in property tax revenues generated by the redevelopment of eligible properties to reimburse parties for costs of eligible development activities and (2) use captured revenues to finance a local remediation revolving fund to address other eligible sites. Brownfield authorities can qualify for Brownfield site assessment grants, redevelopment grants and the state revitalization loan fund. Brownfield Redevelopment Authorities are authorized under Michigan Public Act 381 of 1996.

The three member Chapter 20 drain board oversees the operation of some 150 Chapter 20 drains in Macomb County. The Macomb County Board of Commissioners member is determined based on the Commissioner(s) which represents the largest appointment in the drainage district.

The drains are located primarily south of M-59 in the communities of Warren, Sterling Heights, Eastpointe, Clinton Township, St. Clair Shores, Roseville, Center Line, Fraser and Utica. Chapter 20 drains are established pursuant to the State Drain Code, Act 40 of Public Acts of 1956, as amended. Each drainage district is considered a special purpose public corporation with the power to enter into contracts, acquire property, sue, be sued and conduct other necessary business. The drain boards approve agreements, pay invoices, sell bonds, authorize new projects and make assessments against municipalities in the districts, among other duties.

All Macomb County Chapter 20 Drain Board meetings are held at the Macomb County Public Works Office and begin at 10:00 a.m. unless otherwise noted.

The OneMacomb initiative supports an active, affirmative, and inclusive response to the county's increasing cultural diversity. The initiative's Vision is a community that welcomes all people and celebrates their unique contributions, and its Mission is to facilitate or support collaborative and community-based activities which celebrate cultural diversity and inclusion in Macomb County.

OneMacomb carries out its mission by working to accomplish three key objectives:

- Promote multiculturalism and inclusiveness as key reasons why Macomb County is one of Michigan's best places to live, work, and play;
- Strengthen Macomb County's economy by supporting the County's multicultural entrepreneurs and by bringing internationally-based businesses into the County;
- Identify and implement multiculturalism and inclusiveness "best practices" in how the County recruits, hires and trains its staff and in how it delivers its services.

The Macomb Circuit Court is a trial court of “general jurisdiction” because it handles all actions except those given by State law to another court. The Civil Division has jurisdiction over civil cases involving more than \$25,000 and cases in which parties seek equitable relief. The Criminal Division handles all Macomb County felony criminal actions and some serious misdemeanor cases. The County Clerk serves as Clerk of the Court. Circuit Court judges are elected to six-year terms on non-partisan ballots. The Family Division handles all domestic relations matters. The Juvenile Division is part of the Family Division and handles delinquency, abuse and neglect and adoption cases.

MENTAL DIVISION

Phone: (586) 469-5320; Fax: (586) 783-0905

This division processes petitions on the hospitalization of those individuals who are in need of mental health services and appoints guardians for those adults who are found to be developmentally disabled.

WILLS AND ESTATES DIVISION

Phone: (586) 469-5290; Fax: (586) 783-0971

This division administrates testate and intestate decedent's estates and has exclusive jurisdiction over testamentary and intervivos trusts. Where appropriate the Court appoints guardians and/or conservators for minors and legally incapacitated adults. As a public service, the Court accepts for safekeeping the Last Will and Testaments of county residents. There is a nominal fee of \$25 for this service.

MACOMB COUNTY DISTRICT COURTS

District Courts have exclusive jurisdiction of all civil litigation up to \$25,000 and also handle garnishments, eviction proceedings, land contract forfeitures, civil infractions, and other proceedings. For criminal cases, the district court conducts preliminary examinations in felony cases and handles all misdemeanors where punishment does not exceed one year in jail including arraignment, sentence, and setting and acceptance of bail. District judges may appoint magistrates. The magistrates may set bail and accept bonds in criminal matters, accept guilty pleas, sentence for traffic, motor carrier, dog, game, snowmobile and boat law violations, and issue arrest and search warrants. Attorney magistrates may hear small claims cases. Magistrates may, at the direction of the Chief Judge, perform other duties allowed by statute.

Municipal Court civil jurisdiction is limited to \$1,500. Its criminal jurisdiction is similar to district court. Municipal judges must be lawyers, residents, and electors of their cities. They are paid by the municipality and are elected for four-year terms as provided by city charter. They are part-time judges and may practice law outside of the courtroom.

Macomb County is often noted for its recreational opportunities, particularly its access to inland lakes and Lake St. Clair. There are three major public parks in the County and our new linear park, the Macomb Orchard Trail, where people can enjoy a vast array of year-round recreational activities. County residents are never far from leisure facilities.

Lake St. Clair Metropark

(586) 463-4581

Scenic Lake St. Clair Metropark offers a mile-long shoreline on Lake St. Clair. This 789-acre park features a 700-foot sandy beach, a 50-meter swimming pool with two waterslides, a poolside rock climbing wall and an inflatable water obstacle course, the Squirt Zone sprayground, children's play areas, picnic areas and shelters, marinas, a nature center, nature trails, a paved hike-bike trail, boat launches, an 18-hole par-3 golf course (which also doubles as a foot golf course) and the 18-hole Shipwreck Lagoon miniature golf course. The day sail launch provides opportunities to launch jet skis, kiteboards, windsurfers and ice boats. The park is a top bird-watching site with more than 230 commonly-seen species. Winter activities include ice fishing, ice skating, sledding and cross-country skiing.

Stony Creek Metropark

(586) 781-4242

Built around the 600-acre Stony Creek Lake in gently rolling terrain, this 4,435-acre park offers many recreational activities, including ten large picnic areas, an 18-hole regulation golf course and driving range, a nature center, a nature interpretive area, a 36-hole disc golf course, two swimming beaches, play areas, a boat launch and boat rentals. A 6-mile paved hike-bike trail circles Stony Creek Lake. Mountain bikers can ride on 17 miles of hilly, heavily wooded dirt trails that traverse the southwest side of the park and the Trolley Trails area. The Trolley Trails area also offers a mountain biking skills course. Hiking trails are located near the Nature Center and north of Inwood Road (separate entrance). Winter visitors can enjoy cross-country skiing, sledding, ice skating and ice fishing.

Wolcott Mill Metropark

(586) 752-5932

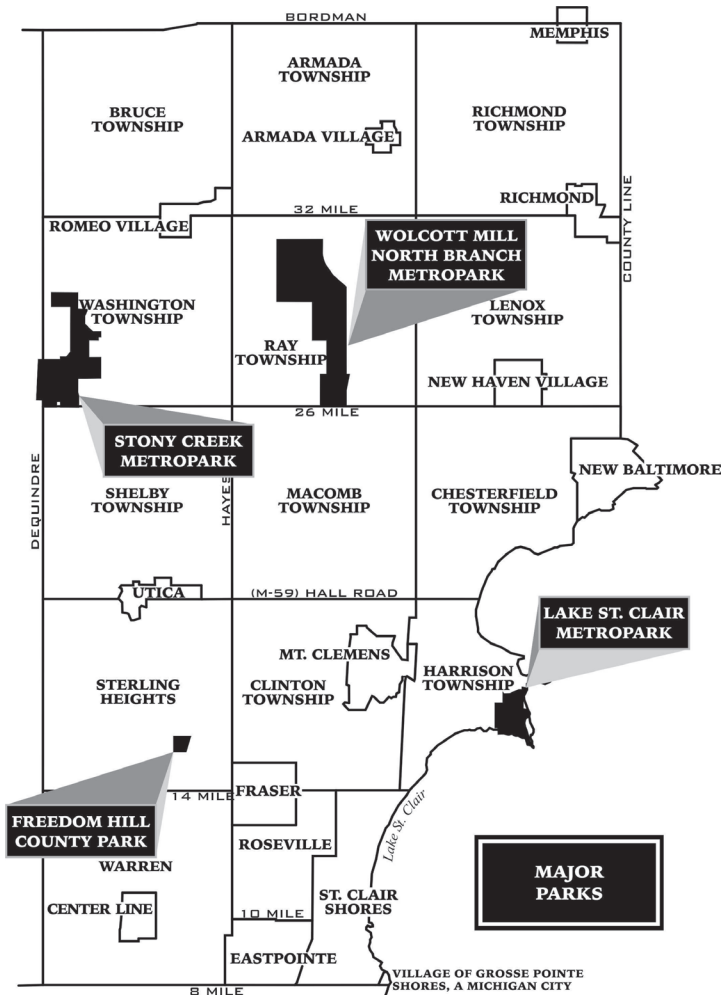

Located along the banks of the North Branch of the Clinton River in Ray Township, this 2,850-acre park features farm center, historic grist mill and an 18-hole regulation golf course and driving range. Ten miles of equestrian trails and a rental facility for parties are available at Camp Rotary. Visit the farm center to see a modern 250-acre working farm, complete with horses, goats, sheep and ducks. The dairy herd is milked daily at 10 am, April 1 through October 31; and at 9 am, November 1 through March 31. The Grist Mill offers a rare glimpse of Macomb County's historic past and is listed on the National Register of Historic Places. Three miles of nature trails can be accessed from the Historic Center parking lot. Interpretive programs are offered at the mill and the farm. The Historic Center (the grist mill and surrounding buildings) is open Friday through Sunday and other times by appointment. The grounds are open daily 9 am-5 pm.

MAJOR PARKS

GENERAL INFORMATION

Located along the Huron and Clinton rivers, the Huron-Clinton Metroparks provide a natural oasis from urban and suburban life as well as year-round recreational activities and events. A regional park system, the Metroparks consist of 13 beautiful parks covering 25,000 acres, ten spectacular public golf courses and two marinas on Lake Erie and Lake St. Clair. The parks also offer scenic nature trails, breathtaking beaches, educational activities and exciting winter sports.

For persons with special accessibility needs or who have limited English proficiency, please contact the park facility of your choice at least 72 hours in advance of your visit. A Metroparks vehicle entry permit is required to enter any Metropark and is only \$30 annually for regular admission, \$20 for seniors (62 and up), or \$7 daily. General information can be found at www.metroparks.com or by calling 1-800-47-PARKS.

Former County Clerk Carmella Sabaugh and Turning Point, Inc., applied for a state VOCA grant to help fund and establish the PPO Assistance Center. The VOCA grant funds come from fines and penalties levied against criminals convicted of federal crimes. The PPO advocate helps citizens complete the PPO forms which assists the circuit court staff in filing the forms quickly and helps the judge in determining whether to grant the request. In addition the advocate assists with safety planning and screens for lethality.
