HISTORY AND PROGRESS

MACOMB COUNTY HISTORY

Named in honor of General Alexander Macomb, a highly decorated veteran of the War of 1812, Macomb County was formally organized on January 15, 1818 as the third county in the Michigan territory. At that time, it covered a much larger area than it does today. In 1819 and 1820, large portions of the county were removed to form the counties of Oakland, Lapeer, Genesee and St. Clair.

The first Europeans arrived in the area during the 17th century. They included French fur trappers who recognized the richness of the marshes and sought new opportunities for trade. Moravian missionaries established the first organized, non-native settlement in the county in 1782 as a refuge for Christianized Indians driven out of Ohio. They built along the banks of the Clinton River, then known as the Huron River, but were forced to leave four years later by the Chippewa Indians. In the late 1790s, Christian Clemens visited the area, and in March 1800, purchased a distillery considered the first building on the site of the future Mount Clemens. The next year he purchased 500 acres for development. This site, known as High Banks, was platted as the Village of Mount Clemens in 1818, when it was proclaimed the Macomb County Seat.

In the early 1800s, settlers moved into the interior of the county, carving out farms from the hardwood forests. The roots of the county villages and townships were established by this time. In addition to the original French and English, later settlers included Germans, Belgians and others who came directly from Europe.

In the 1870s, mineral baths brought international fame to Mount Clemens. Many believed the waters had healing powers. Although the stream still runs beneath the city, interest in the spas died out in the early 20th century. Recently, there has been a reemergence of interest in the mineral baths now being offered at Henry Ford Macomb-East Campus in Mount Clemens.

Between 1920 and 1930, Macomb County doubled in population, rising from 38,103 to 77,146 persons. Two significant developments spurred this growth – the establishment of Selfridge Field in 1917, and the beginning of the urbanization movement northward from the City of Detroit. During the 1940s and the 1950s the movement from the central city to the suburbs increased. The largest growth occurred between 1950 and 1970, when over 440,000 people were added to Macomb County’s population.

Today, Macomb County encompasses 482 square miles, and ranks third in population in the state, with a 2010 census total of 840,978 persons. The county is recognized as a leader in business and industry, and designated as a “Community of Economic Excellence” by the State of Michigan.

History prepared in consultation with the Macomb County Historical Society and Crocker House Museum.

MACOMB COUNTY EMBLEM

Dominating the emblem of Macomb County is the county outline, flanked by a sailboat and three gears in representation of the area's recreation and industry. The banner crossing through the symbol represents progress. Encircling the emblem are the words "Macomb County" and "Michigan," separated by five-pointed stars as symbols of quality.

MACOMB COUNTY BUILDING

Plans for the 12-story, limestone-clad Macomb County building began to take shape in August, 1930, when architect George J. Haas of St. Clair Shores submitted his Art Deco design. The winning bid for the new structure went to the Otto Misch Company and construction began in 1931 with a crew of 75 men (mainly Macomb County residents) who worked tirelessly around the clock to bring the new building to life.

Notable design elements of the "Old County Building" include the iconic architectural ornaments of eight stone faces chosen specifically in tribute to nearby Selfridge Field and paying homage to the county's history. Designed by native Detroiter, architectural sculptor Louis Sielaff, the faces chosen to gaze from the roofline include a soldier, sailor, airman (pre-Air Force), Marine (WWI Doughboy), two Native Americans, and two Revolutionary War soldiers. Sielaff's creations were fabricated from granite and have stood guard atop the county building for the past 86 years.

COMMISSION PROGRAMS

Macomb County Casual Day Program

The Macomb County Board of Commissioners is pleased to offer the Macomb County Casual Day Charitable Collections Program. Employees who choose to participate (with department leadership permission) may wear casual clothing to work on Fridays (or other designated days) by donating at least one dollar to be donated to assigned charitable organizations. Once a year, generally in the fall, the BOC accepts nominations of charitable organizations. Organizations which indicate their desire to be recipients of the collected funds submit a letter, proof of charitable organization status and solicitation license from the State Attorney General's Office. If more submissions than collection dates are received, a lottery is held to determine a schedule for the upcoming year.

Please contact the BOC for more information on becoming a recipient of Casual Day funds or for participation details.

MACOMB COUNTY BOARD

Volunteer Recognition Program

For over 29 years, the Macomb County Board of Commissioners has proudly recognized the many valuable contributions made by our most-deserving and dedicated volunteers who have selflessly committed their time toward enriching Macomb County and its community members.

Each year, volunteers 18 years of age or older, who have performed at least 150 hours of service during the prior calendar year, have the opportunity to be nominated for the Volunteer Recognition Award. Outstanding accomplishments and long-term service are highlighted for each individual.

Every April During "National Volunteer Recognition Month," the County Board honors exceptional volunteers who reside in or whose volunteer efforts benefit Macomb County. The Board invites each volunteer being recognized to attend a Full Board meeting to honor and give thanks for their outstanding volunteer efforts throughout the year.

Green Schools Program

The Michigan Green Schools Program is an initiative that aims to encourage students to learn more about energy efficiency, ecology and environmental stewardship practices through fun and interactive activities. The Macomb County program has been in place in Macomb County for 11 years running. We look forward each year to planning special events which coincide with the Program.

The Green Schools program is unique because it instills a real can-do and community spirit in students at an early age. It enhances their education, provides a glimpse of real-world problem solving and showcases potential career paths in environmental, public service and various other sectors.

By supporting a program such as the Green Schools program, leaders help to instill a sense of community, and provide our students with a sense of responsibility and ownership for our shared future.

Each year, as part of the Macomb County Green Schools program, students have the opportunity to create and submit a logo which may be considered for use specifically in Macomb County Green Schools program materials in the upcoming year.

Of those achieving Official Michigan Green School status:

- 11 have participated every single year since the beginning of our program
- 125 have robust recycling programs
- 125 have energy efficiency activities in place; meaning that they are saving resources and saving money.

Be sure to check out events at Macomb County Green Schools by visiting our Info-Ideas-Events page at greenschools.macombgov.org where you can also notify us of additional Green Schools ideas for promotion.

Yoga At The Hill Event

Beginning in 2016, the Macomb County Board of Commissioners has offered the opportunity for everyone, regardless of age or experience level, to learn about the beneficial practice of yoga and to have the option to personally participate in a group yoga session.

This annual event is an excellent opportunity to try yoga for the first time, to revisit past practice, or to enhance a current routine. Yoga is for EVERYbody!

In addition to yoga sessions for both adults and children, resource providers from local companies share information and offer raffles and free giveaways on local healthy living products, companies and services.

The Brownfield Redevelopment Authority promotes the revitalization of environmentally distressed areas, either by providing incentives for developers to clean up contaminated or functionally obsolete property, or by receiving grants to perform the clean up before a development is involved, or a combination of the two. A Brownfield Redevelopment Authority may use Tax Increment Financing as a tool for property redevelopment. An authority may: 1) capture increases in property tax revenues generated by the redevelopment of eligible properties to reimburse parties for costs of eligible development activities and 2) use captured revenues to finance a local remediation revolving fund to address other eligible sites. Brownfield authorities can qualify for Brownfield site assessment grants, redevelopment grants and the state revitalization loan fund. Authorities are authorized under Michigan PA 381 of 1996.

The three member Chapter 20 drain board oversees the operation of some 150 Chapter 20 drains in Macomb County. The Macomb County Board of Commissioners member is determined based on the Commissioner(s) which represents the largest appointment in the drainage district.

The drains are located primarily south of M-59 in the communities of Warren, Sterling Heights, Eastpointe, Clinton Township, St. Clair Shores, Roseville, Center Line, Fraser and Utica. Chapter 20 drains are established pursuant to the State Drain Code, Act 40 of Public Acts of 1956, as amended. Each drainage district is considered a special purpose public corporation with the power to enter into contracts, acquire property, sue, be sued and conduct other necessary business. The drain boards approve agreements, pay invoices, sell bonds, authorize new projects and make assessments against municipalities in the districts.

All Macomb County Chapter 20 Drain Board meetings are held at the Public Works Office and begin at 10:00 a.m. unless otherwise noted.

The Macomb County Public Works Office has two goals: to enhance the quality of life for all Macomb County residents; and to serve as a critical component of economic prosperity in our communities. MCPWO maintains more than 475 county drains which remove storm water from neighborhoods, roadways and industrial areas. The office works closely with local partners to enhance water quality in our drains, thereby directly improving water quality in Lake St. Clair and throughout the Great Lakes System.

MCPWO provides wholesale sanitary sewer services to 11 Macomb County communities via the Macomb Interceptor Drain Drainage District and also co-manages the Oakland-Macomb Interceptor District. Together, these two districts provide sanitary sewer service to more than 1 million people.

MCPWO also administers the Soil Erosion Control Act, provides review and inspection of development and re-development projects in the country and administers and operates the Chapaton and Martin Retention Basins in St. Clair Shores. The office is actively engaged in ongoing public education efforts on how our local infrastructure operates and steps that individuals, businesses and communities as a whole can take to protect our natural resources.

The Macomb County Sheriff's jurisdiction encompasses the entire County. As a law enforcement agency, it is the Sheriff's Office duty to enforce all laws and to protect the lives, property and welfare of the citizens who work, live and travel through Macomb County. It is also his responsibility to secure all prisoners in the County Jail, as well as provide security and transportation of those prisoners to court proceedings. The Sheriff's Office includes the road and marine patrols, investigative bureaus, jail operations and is enhanced by a large group of reserve officers who greatly assist our officers, as well as the citizens of Macomb County with different events. The Sheriff also is part of multi-jurisdictional units including COMET (drugs), MATS (auto theft), MACE (computer crimes), and SWAT (tactical unit). The Townships of Harrison, Macomb, Lenox and Washington, the Village of New Haven and the City of Mount Clemens contract police services with the Macomb County Sheriff's Office.

MACOMB COUNTY COURTS

16th JUDICIAL CIRCUIT COURT

Circuit Court Building, 40 North Main, Mount Clemens, MI 48043
Phone: 586-469-5208
circuitcourt.macombgov.org

The Macomb Circuit Court is a trial court of “general jurisdiction” because it handles all actions except those given by State law to another court. The Civil Division has jurisdiction over civil cases involving more than \$25,000 and cases in which parties seek equitable relief. The Criminal Division handles all Macomb County felony criminal actions and some serious misdemeanor cases. The County Clerk serves as Clerk of the Court. Circuit Court judges are elected to six-year terms on non-partisan ballots. The Family Division handles all domestic relations matters. The Juvenile Division is part of the Family Division and handles delinquency, abuse and neglect and adoption cases.

MACOMB COUNTY COURTS

MACOMB COUNTY DISTRICT COURTS

District Courts have exclusive jurisdiction of all civil litigation up to \$25,000 and also handle garnishments, eviction proceedings, land contract forfeitures, civil infractions, and other proceedings. For criminal cases, the district court conducts preliminary examinations in felony cases and handles all misdemeanors where punishment does not exceed one year in jail including arraignment, sentence, and setting and acceptance of bail. District judges may appoint magistrates. The magistrates may set bail and accept bonds in criminal matters, accept guilty pleas, sentence for traffic, motor carrier, dog, game, snowmobile and boat law violations, and issue arrest and search warrants. Attorney magistrates may hear small claims cases. Magistrates may, at the direction of the Chief Judge, perform other duties allowed by statute.

Municipal Court civil jurisdiction is limited to \$1,500. Its criminal jurisdiction is similar to district court. Municipal judges must be lawyers, residents, and electors of their cities. They are paid by the municipality and are elected for four-year terms as provided by city charter. They are part-time judges and may practice law outside of the courtroom.

GENERAL INFORMATION

Located along the Huron and Clinton rivers, the Huron-Clinton Metroparks provide a natural oasis from urban and suburban life as well as year-round recreational activities and events. A regional park system, the Metroparks consist of 13 beautiful parks covering 25,000 acres, ten spectacular public golf courses and two marinas on Lake Erie and Lake St. Clair. The parks also offer scenic nature trails, breathtaking beaches, educational activities and winter sports.

For persons with special accessibility needs or who have limited English proficiency, please contact the park facility of your choice at least 72 hours in advance of your visit. A Metroparks vehicle entry permit is required to enter any Metropark and is only \$30 annually for regular admission, \$20 for seniors (62 and up), or \$7 daily.

Additional information can be found at www.metroparks.com or by calling 1-800-47-PARKS.

MAJOR PARKS

Macomb County is often noted for its recreational opportunities, particularly its access to inland lakes and Lake St. Clair. There are three major public parks in the County and our new linear park, the Macomb Orchard Trail, where people can enjoy a vast array of year-round recreational activities. County residents are never far from leisure facilities.

LAKE ST. CLAIR METROPARK

586-463-4581

Scenic Lake St. Clair Metropark offers a mile-long shoreline on Lake St. Clair. This 789-acre park features a 700-foot sandy beach, a 50-meter swimming pool with two waterslides, a poolside rock climbing wall and an inflatable water obstacle course, the Squirt Zone sprayground, children's play areas, picnic areas and shelters, marinas, a nature center, nature trails, a paved hike-bike trail, boat launches, an 18-hole par-3 golf course (which also doubles as a foot golf course) and the 18-hole Shipwreck Lagoon miniature golf course. The day sail launch provides opportunities to launch jet skis, kiteboards, windsurfers and ice boats. The park is a top bird-watching site with more than 230 commonly-seen species. Winter activities include ice fishing, ice skating, sledding and cross-country skiing.

STONY CREEK METROPARK

586-781-4242

Built around the 600-acre Stony Creek Lake in gently rolling terrain, this 4,435-acre park offers recreational activities, including ten large picnic areas, an 18-hole regulation golf course and driving range, a nature center, a nature interpretive area, a 36-hole disc golf course, two swimming beaches, play areas, a boat launch and boat rentals. A 6-mile paved hike-bike trail circles Stony Creek Lake. Mountain bikers can ride on 17 miles of hilly, heavily wooded dirt trails that traverse the southwest side of the park and the Trolley Trails area. The Trolley Trails area offers a mountain biking skills course. Hiking trails are located near the Nature Center and north of Inwood Road. Winter visitors can enjoy cross-country skiing, sledding, ice skating and ice fishing.

WOLCOTT MILL METROPARK

586-752-5932

Located along the banks of the North Branch of the Clinton River in Ray Township, this 2,850-acre park features farm center, historic grist mill and an 18-hole regulation golf course and driving range. Ten miles of equestrian trails and a rental facility for parties are available at Camp Rotary. Visit the farm center to see a modern 250-acre working farm, complete with horses, goats, sheep and ducks. The dairy herd is milked daily at 10 am, April 1 through October 31; and at 9 am, November 1 through March 31. The Grist Mill offers a rare glimpse of Macomb County's historic past and is listed on the National Register of Historic Places. Three miles of nature trails can be accessed from the Historic Center parking lot. Interpretive programs are offered at the mill and the farm. The Historic Center (the grist mill and surrounding buildings) is open Friday through Sunday and by appointment. The grounds are open daily 9 am-5 pm.
