GOVERNING BODY

In Macomb County — as in other Michigan counties — the Board of Commissioners is the legislative, administrative and policy making body for the County. Our Board is composed of 25 members who are elected every two years. There are seven major committees, nine standing committees, thirteen subcommittees on the Board and such special committees as may be appointed from time to time for specific purposes.

ELECTED OFFICIALS

The Michigan Constitution provides that the voters of each county must elect a Sheriff, Clerk, and Register of Deeds, Prosecuting Attorney, Treasurer and Public Works Commissioner every four years. Circuit, Probate and District Court judges are also elected on the county level.

CLERK AND REGISTER OF DEEDS

The County Clerk is clerk of the Circuit Court and clerk of the following Boards: Board of Commissioners, Board of Election Commissioners, Tax Allocation Board, Board of County Canvassers, County Plat Board, Civil Service Commission, Election Scheduling Committee and Concealed Weapons Licensing Board.

Other functions of the clerk are primarily record keeping in nature. Transcripts of births, deaths, and marriage licenses, certificates of assumed names and co-partnership, records of discharges of military personnel,

records of those persons authorized to practice certain professions are some of the various records the Clerk is required by law to keep. The Clerk issues marriage licenses, concealed weapon permits, notary public commissions and processes passport applications and naturalization applications.

The canvass of votes in state, county, school and some city and townships elections is under the jurisdiction of the County Clerk, who is responsible to the Secretary of State for certified results of the elections.

The Register of Deeds records all deeds and mortgages which have to do with properties located within the boundaries of Macomb County. All subdivision plats within the county are also on record in the Register's office. Financing statements on automobiles and other personal property are filed, as are attachments, lis pendens, federal tax liens, Michigan tax liens, mechanics liens and Sheriff's deeds.

PROSECUTING ATTORNEY

The Prosecuting Attorney is the chief law enforcement officer in the county. The office is established by the Michigan Constitution and the duties and qualifications of the Prosecuting Attorney are set by statute. The Prosecuting Attorney is a sworn impartial arbiter, charged with the conduct of criminal prosecution in the interest of the people. As a minister of justice, he is also charged with defending those unjustly accused. He represents the County in all courts of the County and before the Supreme Court and Court of Appeals in criminal matters in which the state or county is a party or is interested. In Michigan, Prosecuting Attorneys are elected for a four year term. He must be a qualified elector and an attorney admitted to practice law. In Macomb County, the Prosecuting Attorney's office is on the sixth floor of the Court Building. It is staffed with 39 attorneys — The Prosecuting Attorney and 38

assistants. They service the District Courts, Municipal Courts, both divisions of Probate Court and eight Circuit Courts.

PUBLIC WORKS COMMISSIONER

Formerly known as the Drain Commissioner, the title of this office was changed by the Board of Commissioners to Public Works Commissioner to more accurately reflect the broad scope of his duties.

The major duties of the Public Works Commissioner emanate from two state Acts, Act 40 of 1956 (Drain Code) and Act 342 of 1939. Under these statutes, he carries out a wide range of public works projects at the request of local communities or property owners.

The projects include flood control, storm drains, water supply systems, sanitary sewers, and pollution control facilities. His role in managing these projects is all embracing . . . ranging from initial planning through final design, financing, construction, operation, maintenance, and administration. Value of work completed since 1961 is \$160 million. The Public Works Commissioner also reviews subdivision plat applications; works with state and federal agencies to enforce flood plain and pollution control laws; and helps coordinate federal, state, and regional plans on flood control and water quality management. In addition, he is a statutory member of the County Parks and Recreation Commission and Administrative Secretary of the Commission, in charge of supervising staff operations.

The Public Works commissioner also administers the County Soil Erosion and Sedimentation Control Program under Act 347 of 1972. The Act is designed to curb pollution of waterways by control of soil erosion and sedimentation at construction sites. He operates the program in most of the county, covering 11 townships, 7 cities, and 1 village.

SHERIFF

The Sheriff's jurisdiction encompasses the entire County. As a law enforcement agent, it is his sworn duty to enforce all laws and to protect the lives, property and welfare of the people. So that he may fulfill these obligations, he maintains a Sheriff's Patrol, a Detective Bureau, a Marine Patrol, SCUBA Divers, polygraph facilities, identification bureau and many other services. In addition, it is his responsibility to confine and secure all prisoners in the county jail, providing them with proper food and health facilities. Not only does the Sheriff have criminal jurisdiction, his responsibility also deals in civil process. The Sheriff is one of three members of the Concealed Weapons Licensing Board.

TREASURER

The County Treasurer is custodian of all monies and securities of Macomb County. He is treasurer of the County Employees' Retirement System and, by virtue of his office, is a member of the County Election Commission, County Plat Board and County Tax Allocation Board. He is administrative agent and co-ordinator of all automated tax roll services. A primary and mandatory duty of this office is settlement with local units for current tax collections and collection of all delinquent real taxes. He is the Administrative Agent of the Delinquent Tax Revolving Fund. The office is responsible for accounting of all revenue, investments, securities, and monies in financial institutions; inventory of safe deposit boxes of deceased persons for Probate Court; sale and distribution of dog licenses to local units of government; collection of inheritance tax for the State of Michigan; certification of deeds and plat maps and other documents pertaining to tax histories and litigations; also conduct of the annual Tax Sale on behalf of the State Treasury. The

functions of this office are dictated by state statutes, along with guidance of the Bureau of Local Government Services Audit Division, State Treasury Department.

PROBATE COURT

This court has jurisdiction over administration of the estates of all deceased persons and has original jurisdiction over "disappeared persons", the appointments of guardians for minors and guardian of persons for adoption purposes if consent cannot be obtained from one parent, as well as guardian for adults who are adjudged mentally or physically incompetent. Civil proceedings regarding mentally ill and mentally handicapped persons, tuberculosis patients, epileptics and those addicted to excessive use of alcohol or drugs are under jurisdiction of Probate as are name changes of adults or their families and minors.

Appeal cases to the Health Department to obtain delayed registration of birth for applicants who are not recorded in Michigan are under the jurisdiction of Probate Court. Waivers of the three-day waiting period on marriage licenses are granted in Probate Court when there is good and sufficient reason.

The Juvenile Division of Probate Court has original jurisdiction in cases involving juvenile delinquents, neglected and dependent children, adoptions and cases involving juvenile delinquents under 17 years of age and concurrent jurisdiction with Circuit Court for those 17 years of age.

CONTROLLER

The County Controller is appointed by the Board of Commissioners and has certain statutory duties prescribed by law, chief of which is the maintaining of the necessary books and records to control the financial

records of all county departments. He supervises the County Budget for the Board of Commissioners, purchases supplies and equipment for all the departments with the exception of the Social Services and County Road Departments; supervises maintenance of county buildings. The Controller is also secretary of the Employees' Retirement Board and performs other duties as prescribed by the Board of Commissioners. The controller also supervises the County's Data Processing Services.

BOARD OF CANVASSERS

Each county must have such a board to canvass all state, county, school and some city and township elections. After the primary and general elections, the board reviews, analyzes and scrutinizes results to determine who has been nominated in primary elections and which candidates are elected in general elections. After the general elections, the board delivers certificates of election to the County Clerk. The board is also empowered to conduct recounts in certain elections.

adults, an inpatient unit for severely disturbed adults, 12 substance abuse treatment and prevention programs, rehabilitation workshops, counseling and diagnostic centers for mentally retarded adults and children and three residential group homes for mentally retarded adults.

CONCEALED WEAPONS LICENSING BOARD

Michigan law states that the Prosecuting Attorney, the Sheriff and the Commissioner of the Michigan State Police, or their respective authorized deputies, shall constitute boards exclusively authorized to issue licenses for carrying concealed weapons to applicants residing within the county. The County Clerk is the clerk of the board and issues such licenses as approved by a majority of the board.

COOPERATIVE EXTENSION SERVICE

Federal, state and county governments join hands cooperatively to fund this educational program which extends from the classrooms of Michigan State University to the farm, home, business and community and thus the name—Cooperative Extension Service.

Local planning groups consult with extension agents, homemakers get help through community home economics clubs and young people learn from the 4-H Club program. Information is made available to the public at the extension office, by mail and telephone, through newspapers and magazines and via radio and television. Extension agents make personal calls to homes, farms and businesses with the latest information from Michigan State University and other sources. Agents and other specialists conduct meetings and tours and write and distribute bulletins and folders.
