**MACOMB COUNTY**

Macomb County is located with the northern segment of one of the largest metropolitan areas in the nation. As such, it enjoys the benefits of the larger urban center, Detroit, while still possessing suburban and rural characteristics.

The County Seat, Mount Clemens, is approximately twenty miles north of the city of Detroit, 80 miles north of Toledo and 285 miles northeast of Chicago. Excellent highway routes to Canada and all parts of the United States accentuate Macomb County's favorable location. The dynamics of the Detroit Metropolitan Area are reflected in the great increases in residential, commercial and industrial development in the County.

The locational advantages of the County are among its best assets. These include:

- A good system of interstate, state and county highways, with more to be constructed;
- Close proximity to important business and industrial centers in the state;
- Large recreation facilities located within the County;
- Open land for the development of residential, commercial, industrial and recreational uses;
- Access to the commercial and recreational advantages of the Great Lakes.

These factors have served to stimulate growth in Macomb County to the extent that the County has one of the largest rates of population increase in Michigan and

the nation. The population of the County last year was approximately 693,000.

Only 482 square miles in area, Macomb County is the ninth smallest of Michigan's 83 counties, yet it has a population which ranks third in the state and is larger than that of seven states and the District of Columbia.

Macomb County is known as "The Boating Capitol of the World" since there are some 40,000 pleasure craft registered in the County, most of which are berthed at the 59 marinas and at homes located on the many miles of canals and shoreline.

There are four privately licensed airports in the County and the multi-purpose Selfridge Air National Guard Base in Harrison Township is the home of elements of the active Air Force, Air Force Reserve, Air National Guard, Army, Navy, Marine Corps and Coast Guard. Selfridge takes pride in being the only base to have permanently assigned flying units from all five of the uniformed services.

Each of the automotive "Big Three" has extensive operations in Macomb County, the largest being the General Motors Technical Center, located in Warren. The Tech Center is where many General Motors products are born and it's often called "the magic square mile." The site is much larger, covering more than 1,000 acres, and the entire research complex was designed by Eero Saarinen.

Chrysler Corporation has eight operations in the County, including the nation's only manufacturing facility for the United States' main battle tank, the M60A. The Chrysler Crew in Macomb County numbers some 20,000 people who work at locations.

Romeo is the home of Ford Motor Company's Michigan Proving Grounds and Tractor and Equipment Plant, two of six Ford operations located in Macomb County. Ford's newly expanded Vinyl Plant in Mount Clemens, the Paint Plant, two automotive assembly operations in Utica and Chesterfield, the Sterling Axle Plant and the Van Dyke Transmission and Chassis Plant complete Macomb's Ford family.

Agriculture is a most important industry in Macomb County. Census figures for 1974 show that 947 farms had a total income of \$19,867,000 in agricultural products. Its diversified program includes such enterprises as roses, mushrooms, bedding plants, sod, cash crops, vegetables, nursery stock, fruit, dairy and beef. These are but a few of the total of twenty-one different agricultural enterprises flourishing in mighty Macomb County.

#### **COUNTY OFFICERS**

The Michigan Constitution provides that the voters  
of each county must elect a Prosecuting Attorney,  
Sheriff, County Clerk, Register of Deeds, County  
Treasurer and Drain Commissioner or Public Works  
Commissioner every four years.

### **CLERK AND REGISTER OF DEEDS**

Macomb County has combined the Clerk and Register of Deeds offices and Edna Miller holds that office.

Over 1,110 different services are performed by the office of the County Clerk, most of them statutory.

The County Clerk is clerk of the Circuit Court and clerk of the following Boards: Board of Commissioners, Board of Election Commissioners, Tax Allocation Board, Board of County Canvassers, County Plat Board, Civil Service Commission, Election Scheduling Committee and Concealed Weapons Licensing Board.

Other functions of the Clerk are primarily record keeping in nature. The Vital Records Section has records of county births and deaths from 1867, marriage licenses issued from 1819. Certificates of assumed names and co-partnerships, records of discharges of military personnel and records of those persons authorized to practice certain professions are some of the various records the Clerk is required by law to keep. The Clerk issues marriage licenses, notary public commissions, concealed weapon permits and processes passport applications and naturalization petitions.

All Circuit Court cases, both civil and criminal, are started in the Clerk's office and records of these cases, dating from 1848 are kept here.

The Clerk's Election Department conducts state and county elections. The canvass of votes in state, county, school and some city and township elections is under the jurisdiction of the County Clerk who is responsible to the Michigan Secretary of State for certified results of elections.

The Register of Deeds records all deeds and mortgages which have to do with properties located within the boundaries of Macomb County. All subdivision

plats within the county are also on record in the Register's office. Financing statements on automobiles and other personal property are filed, as are attachments, lis pendens, federal tax liens, Michigan tax liens, mechanics liens and Sheriff's deeds.

### **PROSECUTING ATTORNEY**

The Prosecuting Attorney, George N. Parris, is the chief law enforcement officer in the County. The office is established by the Michigan Constitution and the duties and qualifications of the Prosecuting Attorney are set by statute.

The Prosecuting Attorney is a sworn impartial arbiter, charged with the conduct of criminal prosecuting in the interest of the people. As a minister of justice, he is also charged with defending those unjustly accused.

He represents the County in all courts of the County and before the Supreme Court and Court of Appeals in criminal matters in which the state or County is a party or is interested.

In Macomb County, the Prosecuting Attorney's office is on the sixth floor of the court building. It is staffed with 39 attorneys — the Prosecuting Attorney and 38 assistants. They service the District Courts, Municipal Courts, the three divisions of Probate Court and eight Circuit Courts.

### **PUBLIC WORKS COMMISSIONER**

The major duties of Public Works Commissioner Thomas S. Welsh emanate from two state acts, Act 40 of 1956 (Drain Code) and Act 342 of 1939. Under these statutes, he carries out a wide range of public works projects at the request of local communities or property owners.

The projects include flood control, storm drains, water supply systems, sanitary sewers, and pollution control facilities. His role in managing these projects is all embracing . . . ranging from initial planning through final design, financing, construction, operation, maintenance,

and administration. Value of work completed since 1961 is \$200 million. The Public Works Commissioner also reviews subdivision plat applications; works with state and federal agencies to enforce flood plain and pollution control laws; and helps coordinate federal, state, and regional plans on flood control and water quality management. In addition, he is a statutory member of the County Parks and Recreation Commission and Administrative Secretary of the Commission, in charge of supervising staff operations.

The Public Works Commissioner also administers the County Soil Erosion and Sedimentation Control Program under Act 347 of 1972. The Act is designed to curb pollution of waterways by control of soil erosion and sedimentation at construction sites. He operates the program in most of the county, covering 11 townships, 7 cities, and 1 village.

### **SHERIFF**

Sheriff William H. Hackel's jurisdiction encompasses the entire County. As a law enforcement agent, it is his sworn duty to enforce all laws and to protect the lives, property and welfare of the people.

So that he may fulfill these obligations, he maintains a Sheriff's Patrol, a Marine Patrol, SCUBA divers, polygraph facilities, identification bureau and many other services.

In addition, it is his responsibility to confine and secure all prisoners in the County jail, providing them with proper food and health facilities.

Not only does the Sheriff have criminal jurisdiction, his responsibility also deals in civil process.

The Sheriff is one of three members of the Concealed Weapons Licensing Board.

This court has jurisdiction over administration of the estates of all deceased persons and has original jurisdiction over "disappeared persons", the appointments of guardians for minors and guardian of persons for adoption purposes if consent cannot be obtained from one parent, as well as guardian for adults who are adjudged mentally or physically incompetent. Civil proceedings regarding mentally ill and mentally handicapped persons, tuberculosis patients, epileptics and those addicted to excessive use of alcohol or drugs are under jurisdiction of Probate as are name changes of adults or their families and minors.

Appeal cases to the Health Department to obtain delayed registration of birth for applicants who are not recorded in Michigan under the jurisdiction of Probate Court. Waivers of the three-day waiting period on marriage licenses are granted in Probate Court when there is good and sufficient reason.

The Juvenile Division of Probate Court has original jurisdiction in cases involving juvenile delinquents, neglected and dependent children, adoptions and cases involving juvenile delinquents under 17 years of age and concurrent jurisdiction with Circuit Court for those 17 years of age.

### **CONTROLLER**

### **CONCEALED WEAPONS LICENSING BOARD**

Michigan law states that the Prosecuting Attorney, the Sheriff and the Commissioner of the Michigan State Police, or their respective authorized deputies, shall constitute boards exclusively authorized to issue licenses for carrying concealed weapons to applicants residing within the county. The County Clerk is the clerk of the board and issues such licenses as approved by a majority of the board.

Federal, state and county governments join hands cooperatively to fund this education program which extends from the classrooms of Michigan State University to the farm, home, business and community and thus the name — Cooperative Extension Service.

Farmers and marketing agencies receive help with such things as production, management and marketing. Non-farms also benefit. Local planning groups consult with extension agents, homemakers and get help through community home economics clubs and young people learn from the 4-H Club program. Information is made available to the public at the extension office, by mail and telephone, through newspapers and magazines and via

radio and television. Extension agents make personal calls to homes, farms and businesses with the latest information from Michigan State University and other sources. Agents and other specialists conduct meetings and tours and write and distribute bulletins and folders.

The William Tucker County Park will host picnicking, fishing and rowing races.

### **PLANNING COMMISSION**

Emergency Services acts as staff aide to the Chairman of the Board of Commissioners in time of any natural or manmade disaster. Public warning, communications, training, and development in implementation of survival planning are additional responsibilities.

The Radio Division has the responsibility of system design, maintenance and supervision of municipal public safety radio systems for Macomb County and its political subdivisions. This includes all Federal Communications Commission licensing, writing specifications for and

acting as consultant to the various police, fire, highway maintenance, departments of public works, and other agencies using two way radios. Macomb is the only county in the state offering this service for the benefit of the public.

The purpose of the Macomb County Security Division is to safeguard the buildings owned and operated by Macomb County from theft, vandalism, malicious destruction of property, fire, and other natural or manmade hazards. An additional function of this Security Division is to assist both County employees and/or the general public in providing information and other types of requested assistance.

The department works closely with the Probate Court and State of Michigan and makes recommendations regarding reimbursement.

#### **BOARD OF ROAD COMMISSIONERS**

Three commissioners are appointed by the Board of Commissioners to operate the Road Commission, as provided by law. Their duties are to formulate a policy for the administration of motor vehicle funds allocated from gas and weight taxes. These revenues are applied to the construction and maintenance of approximately 1,800 miles of state and county roads and all bridges located along routes under the jurisdiction of the Road Commission.

#### **SOCIAL SERVICE BOARD**

The law requires that each county create a Board of Social Service to administer the general relief program. The program provides general public assistance to the unemployed and those unable to support themselves, medical care for the chronically ill in the Martha T. Berry Memorial Medical Care Facility and assistance for the indigent in general hospitals. U.S. Department of Agriculture food stamps are distributed through the Social Services Department and foster care for dependent children is arranged.

#### **SOCIAL SERVICES DEPARTMENT**

The state and county share the administrative costs of operating the department. Its employees are classified as state employees under the jurisdiction of the rules and regulations established by the Michigan Civil Service Commission. The Department administers, under the direction of the Michigan Department of Social Services, the distribution of state and federal funds for Aid to Dependent Children (ADC), and Child Care services. This department also administers Child Welfare Services for the care of children who are wards of the state, issues licenses for foster care homes and oversees community based services for delinquent children.

This department maintains assessment and equalization records, surveys assessments and assists the Board of Commissioners in the matter of equalization of assessments and assists the local assessing officers in the

performance of any duties imposed upon such officers. He acts as a liaison between all local units of government and various inter-office departments, relative to the automated tax services. He maintains daily contacts with local units of government and inter-office departments. He conducts instructional meetings for new users and also conducts ongoing seminars for various units of government. Within the mandates of the Board of Commissioners the automated tax services are being offered to all units of government in the county at a minimal charge. This minimal charge does not reflect the initial investment in the Macomb County computer. 1977 commences the second full year of this type of service to local units of government. The criteria which determines the expanded services is dependent upon the amount of use that service and in so doing, the county can furnish these expanded services at the bare minimal cost to the taxpayers.

#### **TRAFFIC SAFETY ASSOCIATION OF MACOMB COUNTY**

State law allows each county to establish county-wide traffic safety organizations. In 1965 the County established the Traffic Safety Association of Macomb County to provide assistance to all public officials in dealing with traffic safety matters.

Operating funds and leadership are provided by local communities, the county and private industry. In

addition to direct assistance to communities, the Association develops public information for the motoring public to assist in making Macomb a safer place for everyone to drive and walk in.

The Alcohol Highway Safety Program is administered by the Association. The program is an educational approach to the problem of drinking and driving. Judges and Secretary of State personnel refer participants to the program.

The Emergency Medical Services Program is coordinated by the Association staff in cooperation with local, county, regional and staff personnel.

#### **VETERANS AFFAIRS**

This department provides assistance to veterans and/or their dependents with filing claims for federal benefits with the Veterans Administration. This directory is being offered to the people of Macomb County as a public service. It contains information which will acquaint citizens with all county elected and appointed officials and with those holding national and state offices representing our county.

The booklet is printed by the County of Macomb and compiled by Edna Miller, Macomb County Clerk and Register of Deeds. Copies of the directory are free and can be obtained from Mrs. Miller's office.

Sincere thanks to the many officials whose cooperation made the publication possible. We extend a welcome to the people of the county to call on us at any time for any information or assistance which we may be able to give.
