MACOMB COUNTY

Macomb County is located within the northern segment of one of the largest metropolitan areas in the nation. As such, it enjoys the benefits of the larger urban center, Detroit, while still possessing suburban and rural characteristics.

The County Seat, Mount Clemens, is approximately twenty miles north of the city of Detroit, 80 miles north of Toledo and 285 miles northeast of Chicago. Excellent highway routes to Canada and all parts of the United States accentuate Macomb County's favorable location. The dynamics of the Detroit Metropolitan Area are reflected in the great increases in residential, commercial and industrial development in the County.

The locational advantages of the County are among its best assets. These include:

- A good system of interstate, state and county highways, with more to be constructed;
- Close proximity to important business and industrial centers in the state;
- Large recreation facilities located within the County;
- Open land for the development of residential, commercial, industrial and recreational uses;
- Access to the commercial and recreational advantages of the Great Lakes.

These factors have served to stimulate growth in Macomb County to the extent that the County has one of the largest rates of population increase in Michigan and

the nation. The population of the County last year was approximately 694,600.

Only 482 square miles in area, Macomb County is the ninth smallest of Michigan's 83 counties, yet it has a population which ranks third in the state and is larger than that of seven states and the District of Columbia.

Macomb County is known as "The Boating Capitol of the World" since there are some 40,000 pleasure craft registered in the County, most of which are berthed at the 59 marinas and at homes located on the many miles of canals and shoreline.

There are four privately licensed airports in the County and the multi-purpose Selfridge Air National Guard Base in Harrison Township is the home of elements of the active Air Force, Air Force Reserve, Air National Guard, Army, Navy, Marine Corps and Coast Guard. Selfridge takes pride in being the only base to have permanently assigned flying units from all five of the uniformed services.

Each of the automotive "Big Three" has extensive operations in Macomb County, the largest being the General Motors Technical Center, located in Warren. The Tech Center is where many General Motors products are born and it's often called "the magic square mile." The site is much larger, covering more than 1,000 acres, and the entire research complex was designed by Eero Saarinen.

Chrysler Corporation has eight operations in the County, including the nation's only manufacturing facility for the United States' main battle tank, the M60A.

Romeo is the home of Ford Motor Company's Michigan Proving Grounds and Tractor and Equipment Plant, two of six Ford operations located in Macomb County. Ford's newly expanded Vinyl Plant in Mount Clemens, the Paint Plant, two automotive assembly operations in Utica and Chesterfield, the Sterling Axle Plant and the Van Dyke Transmission and Chassis Plant complete Macomb's Ford family.

Agriculture is a most important industry in Macomb County. Its diversified program includes such enterprises as roses, mushrooms, bedding plants, sod, cash crops, vegetables, nursery stock, fruit, dairy and beef. These are but a few of the total of twenty-one different agricultural enterprises flourishing in Mighty Macomb County.

GENERAL INFORMATION

COUNTY OFFICERS

The Michigan Constitution provides that the voters of each county must elect a Prosecuting Attorney, Sheriff, County Clerk, Register of Deeds, County

Treasurer and Drain Commissioner or Public Works Commissioner every four years.

CLERK AND REGISTER OF DEEDS

Macomb County has combined the Clerk and Register of Deeds offices and Edna Miller holds that office.

Over 1,110 different services are performed by the office of the County Clerk, most of them statutory.

The County Clerk is clerk of the Circuit Court and clerk of the following Boards: Board of Commissioners, Board of Election Commissioners, Tax Allocation Board, Board of County Canvassers, County Plat Board, Civil Service Commission, Election Scheduling Committee and Concealed Weapons Licensing Board.

Other functions of the Clerk are primarily record keeping in nature. The Vital Records Section has records of county births and deaths from 1867, marriage licenses issued from 1819. Certificates of assumed names and co-partnerships, records of discharges of military personnel and records of those persons authorized to practice certain professions are some of the various records the Clerk is required by law to keep. The Clerk issues marriage licenses, notary public commissions, concealed weapon permits and processes passport applications and naturalization petitions.

All Circuit Court cases, both civil and criminal, are started in the Clerk's office and records of these cases, dating from 1848 are kept here.

The Clerk's Election Department conducts state and county elections. The canvass of votes in state, county, school and some city and township elections is under the jurisdiction of the County Clerk who is responsible to the Michigan Secretary of State for certified results of elections.

The Register of Deeds records all deeds and mortgages which have to do with properties located within the boundaries of Macomb County. All subdivision

plats within the county are also on record in the Register's office. Financing statements on automobiles and other personal property are filed, as are attachments, lis pendens, federal tax liens, Michigan tax liens, mechanics liens and Sheriff's deeds.

PROSECUTING ATTORNEY

The Prosecuting Attorney, George N. Parris, is the chief law enforcement officer in the County. The office is established by the Michigan Constitution and the duties and qualifications of the Prosecuting Attorney are set by statute.

The Prosecuting Attorney is a sworn impartial arbiter, charged with the conduct of criminal prosecuting in the interest of the people. As a minister of justice, he is also charged with defending those unjustly accused.

He represents the County in all courts of the County and before the Supreme Court and Court of Appeals in criminal matters in which the state or County is a party or is interested.

In Macomb County, the Prosecuting Attorney's office is on the sixth floor of the court building. It is staffed with 42 attorneys — the Prosecuting Attorney and 41 assistants. They service the District Courts, Municipal Court, the three divisions of Probate Court and eight Circuit Courts.

PUBLIC WORKS COMMISSIONER

The major duties of Public Works Commissioner Thomas S. Welsh emanate from two state acts, Act 40 of 1956 (Drain Code) and Act 342 of 1939. Under these statutes, he carries out a wide range of public works projects at the request of local communities or property owners.

The projects include flood control, storm drains, water supply systems, sanitary sewers, and pollution control facilities. His role in managing these projects is all embracing . . . ranging from initial planning through final design, financing, construction, operation, maintenance,

and administration. Value of work completed since 1961 is \$220-million. The Public Works Commissioner also reviews subdivision plat applications; works with state and federal agencies to enforce flood plain and pollution control laws; and helps coordinate federal, state, and regional plans on flood control and water quality management. In addition, he is a statutory member of the County Parks and Recreation Commission.

The Public Works Commissioner also administers the County Soil Erosion and Sedimentation Control Program under Act 347 of 1972. The Act is designed to curb pollution of waterways by control of soil erosion and sedimentation at construction sites.

SHERIFF

Sheriff William H. Hackel's jurisdiction encompasses the entire County. As a law enforcement agent, it is his sworn duty to enforce all laws and to protect the lives, property and welfare of the people.

So that he may fulfill these obligations, he maintains a Sheriff's Patrol, a Marine Patrol, SCUBA divers, polygraph facilities, identification bureau and many other services.

In addition, it is his responsibility to confine and secure all prisoners in the County jail, providing them with proper food and health facilities.

Not only does the Sheriff have criminal jurisdiction, his responsibility also deals in civil process.

The Sheriff is one of three members of the Concealed Weapons Licensing Board.

TREASURER

The County Treasurer, Adam E. Nowakowski, is custodian of all monies and securities of Macomb County. He is treasurer of the County Employees' Retirement System and, by virtue of his office, is a member of the County Election Commission, County Plat Board and

County Tax Allocation Board. He is administrative agent and co-ordinator of all automated tax roll services. A primary and mandatory duty of his office is settlement with local units for current tax collections and collection of all delinquent real taxes. He is the Administrative Agent of the Delinquent Tax Revolving Fund. The office is responsible for accounting of all revenue, investments, securities, and monies in financial institutions; inventory of safe deposit boxes of deceased persons for Probate Court; sale and distribution of dog licenses to local units of government; collection of inheritance tax for the State of Michigan; certification of deeds and plat maps and other documents pertaining to tax histories and litigations; also conduct of the annual Tax Sale on behalf of the State Treasury. The functions of this office are dictated by state statutes, along with guidance of the Bureau of Local Government Services Audit Division, State Treasury Department.

PROBATE COURT

This court has jurisdiction over administration of the estates of all deceased persons and has original jurisdiction over "disappeared persons", the appointments of guardians for minors and guardian of persons for adoption purposes if consent cannot be obtained from one parent, as well as guardian for adults who are adjudged mentally or physically incompetent. Civil proceedings regarding mentally ill and mentally handicapped persons, tuberculosis patients, epileptics and those addicted to excessive use of alcohol or drugs are under jurisdiction of Probate as are name changes of adults or their families and minors.

Appeal cases to the Health Department to obtain delayed registration of birth for applicants who are not recorded in Michigan under the jurisdiction of Probate Court. Waivers of the three-day waiting period on marriage licenses are granted in Probate Court when there is good and sufficient reason.

The Juvenile Division of Probate Court has original jurisdiction in cases involving juvenile delinquents,

neglected and dependent children, adoptions and cases involving juvenile delinquents under 17 years of age and concurrent jurisdiction with Circuit Court for those 17 years of age.

CHIEF ADMINISTRATIVE OFFICER

The Chief Administrative Officer is appointed by the Board of Commissioners and has certain statutory duties prescribed by law including the maintenance of the necessary books and ledgers to control the expenditures of all County departments and the preparation and presentation of the annual budget and the general appropriations act.

He supervises the county budget and the expenditures thereunder for the Board of Commissioners to assure that a balanced budget is maintained. The Chief Administrative Officer supervises construction and maintenance of all County owned or leased properties.

The Chief Administrative Officer is secretary of the Employees Retirement Commission and performs other duties as prescribed by the Board of Commissioners.

Under authority of the Board of Commissioners, the Chief Administrative Officer has the administrative responsibility for the following departments; Equalization, Radio, Grants Coordinator, Corporation Counsel, Legislative Agent, Civil Defense, Animal Shelter, Risk Management, Facilities & Operations, Finance, Data Processing, Purchasing, Auditing, Personnel/Labor Relations and Human Services.

BOARD OF CANVASSERS

Each county must have such a board to canvass all state, county, school and some city and township elections. After the primary and general elections, the board reviews, analyzes and scrutinizes results to determine who has been nominated in primary elections and which candidates are elected in general elections. After the general elections, the board delivers

certificates of election to the County Clerk. The board is also empowered to conduct recounts in certain elections.

CORPORATION COUNSEL

Corporation Counsel is appointed by the Board of Commissioners to represent the county and its elected officials in all civil matters affecting the county, its officials, departments, agencies, boards and commissions.

COMMUNITY MENTAL HEALTH SERVICES

The agency now funds 33 separate service programs, including a 24-hour telephone crisis center, four outpatient centers for children and families, two outpatient centers for adults, 13 substance abuse treatment and prevention programs, eight rehabilitation workshops, along with residential group homes for mentally retarded adults, counseling and diagnostic services, client services management functions, a rape crisis program, and vocational services.

CONCEALED WEAPONS LICENSING BOARD

Michigan law states that the Prosecuting Attorney, the Sheriff and the Commissioner of the Michigan State Police, or their respective authorized deputies, shall constitute boards exclusively authorized to issue licenses for carrying concealed weapons to applicants residing within the county. The County Clerk is the clerk of the board and issues such licenses as approved by a majority of the board.

The department is responsible for maintaining legal descriptions of real property changes recorded in the county. A drafting section draws current line maps containing all new subdivision, acreage divisions and consolidation of lots and acreage.

The addressograph plate records (40 years) have been converted into a data bank of Data Processing Center. Updating is forwarded by "input forms" to Data Processing on a daily basis.

LIBRARY BOARD

The County Library, supported through county appropriation, penal fines and state aid, makes many backup services, such as reference and book processing, available to the local libraries of the county. It provides direct walk-in public library service to all county residents by providing specialized materials not available at local libraries. In addition to a book collection of 190,000 volumes, there are over 1,600 films and 800 periodicals, as well as pamphlets, phonograph records and art prints for loan. The County Library also serves as headquarters for the Library Cooperative of Macomb, a federation of the individual libraries within the county.

MACOMB COUNTY COMMUNITY SERVICES AGENCY

Designated as a Community Action Agency under the Economic Opportunity Act of 1964 and subsequently designated as a recipient of State Community Service Block Grant funds, it is sponsored locally by the Board of Commissioners. In another area, the District assists the State Department of Education in auditing roles and in teacher certification recording and reporting. The District serves as a middle agency in the three tier school system (State — Intermediate — Local) servicing both State and local schools.

The ten member Commission was established in 1966 by the Board of Commissioners for the study, acquisition and development of needed parks and open space. Functioning under the Board of Commissioners and through the Public Works Commissioner's Office, the Commission developed the William Tucker County Park near the Clinton River Spillway and the Dollier-Galinee County Park at 15000 Metropolitan Parkway near Schoenherr Road. The Dollier-Galinee County Park is the scene of summer ethnic festivals held each year. Located at the park is the multi-purpose recreational Independence Building. The William Tucker County Park hosts picnicking, fishing and rowing races.

PLANNING COMMISSION

Established in 1956, the nine member Planning Commission is responsible for examining the existing

resources and needs of the County, projecting the growth of the County for the next 20 to 30 years, and to suggest means by which this growth can be guided.

Other primary activities of the Commission include providing research for various committees of the Board of Commissioners and being a source of assistance to other county departments and local communities. In addition, the Planning Commission prepares detailed maps of the county and individual municipalities, including school districts and road systems. They also prepare statistical reports on population, economics, land use and other planning related activities.

PLAT BOARD

A plat is a plan or description for subdividing land. State law requires that a County Plat Board be created to examine and pass upon all proposed plats as to suitability, conformity to general plan, possible conflicts with other plats and conformance with street and alley layouts of adjacent plats. This board consists of the Chairman of the Board of Commissioners, the County Clerk and Register of Deeds and the County Treasurer.

PROBATION DEPARTMENT

Before sentencing any person charged with a felony, and when directed by the court in any case where a person is charged with a misdemeanor within the jurisdiction of the court, the Probation Department shall inquire into the antecedents, character and circumstances of such persons and shall report in writing to the court. The Probation Department shall take charge of and watch over all persons placed on probation under such regulations as may be prescribed by the court. The department is responsible for the collection and disbursement of all court costs, fines, restitution and/or family support as ordered by the court.

PUBLIC SAFETY SERVICES AND PLANNING

In the area of Emergency Services, this office is responsible for the planning, administration, coordination, and operation of resources and manpower of all County agencies and departments having a disaster operations capability during declared emergencies. Emergency Services acts as staff aide to the Chairman of the Board of Commissioners in time of any natural or manmade disaster. Public warning, communications, training, and development in implementation of survival planning are additional responsibilities.

The Radio Division has the responsibility of system design, maintenance and supervision of municipal public safety radio systems for Macomb County and its political subdivisions. This includes all Federal Communications Commission licensing, writing specifications for and acting as consultant to the various police, fire, highway maintenance, departments of public works, and other agencies using two way radios. Macomb is the only county in the state offering this service for the benefit of the public.

The purpose of the Macomb County Security Division is to safeguard the buildings owned and operated by Macomb County from theft, vandalism, malicious destruction of property, fire, and other natural or manmade hazards. An additional function of this Security Division is to assist both County employees and/or the general public in providing information and other types of requested assistance.

REIMBURSEMENT DIVISION

This department is a division of the Chief Administrator's office and handles accounts established by the Probate Courts and other county agencies. It takes care of matters pertaining to billings and collecting of costs of Youth Home and boarding home care of children and juveniles, private mental hospital care costs, state institutional costs, ambulance

charges for which the county is responsible and other miscellaneous accounts. The department audits time and costs of the above mentioned accounts as well as investigating the ability of the responsible persons to reimburse the county for services rendered. The department works closely with the Probate Court and State of Michigan and makes recommendations regarding reimbursement.

BOARD OF ROAD COMMISSIONERS

Three commissioners are appointed by the Board of Commissioners to operate the Road Commission, as provided by law. Their duties are to formulate a policy for the administration of motor vehicle funds allocated from gas and weight taxes. These revenues are applied to the construction and maintenance of approximately 1,800 miles of state and county roads and all bridges located along routes under the jurisdiction of the Road Commission.

SOCIAL SERVICE BOARD

The law requires that each county create a Board of Social Service to administer the general relief program. The program provides general public assistance to the unemployed and those unable to support themselves, medical care for the chronically ill in the Martha T. Berry Memorial Medical Care Facility and assistance for the indigent in general hospitals. U.S. Department of Agriculture food stamps are distributed through the Social Services Department and foster care for dependent children is arranged.

SOCIAL SERVICES DEPARTMENT

The state and county share the administrative costs of operating the department. Its employees are classified as state employees under the jurisdiction of the rules and regulations established by the Michigan Civil Service Commission. The Department administers, under the direction of the Michigan Department of Social Services,

the distribution of state and federal funds for Aid to Dependent Children (ADC), and Child Care services. This department also administers Child Welfare Services for the care of children who are wards of the state, issues licenses for foster care homes and oversees community based services for delinquent children.

TAX ALLOCATION BOARD

State law requires that each county have a board to allocate the constitutional 15 mill tax levy between the county, townships and school districts, on the basis of need, as determined by a survey of the tentative budgets submitted by each of the units.

BOARD OF TAXATION (EQUALIZATION DEPARTMENT)

This department maintains assessment and equalization records, surveys assessments and assists the Board of Commissioners in the matter of equalization of assessments and assists the local assessing officers in the performance of any duties imposed upon such officers. TAX SERVICE CO-ORDINATOR – OFFICE OF COUNTY TREASURER

The Co-ordinator is responsible for the Macomb County Automated Tax Services being offered to the various local units of government. He acts as a liaison between all local units of government and various inter-office departments, relative to the automated tax services. He maintains daily contacts with local units of government and inter-office departments. He conducts instructional meetings for new users and also conducts ongoing seminars for various units of government. Within the mandates of the Board of Commissioners the

automated tax services are being offered to all units of government in the county at a minimal charge. This minimal charge does not reflect the initial investment in the Macomb County computer. The criteria which determines the expanded services is dependent upon the amount of use that service and in so doing, the county can furnish these expanded services at the bare minimal cost to the taxpayers.

TRAFFIC SAFETY ASSOCIATION OF MACOMB COUNTY

State law allows each county to establish county-wide traffic safety organizations. In 1965 the County established the Traffic Safety Association of Macomb County to provide assistance to all public officials in dealing with traffic safety matters.

Operating funds and leadership are provided by local communities, the county and private industry. In addition to direct assistance to communities, the Association develops public information for the motoring public to assist in making Macomb a safer place for everyone to drive and walk in.

The Alcohol Highway Safety Program is administered by the Association. The program is an educational approach to the problem of drinking and driving. Judges and Secretary of State personnel refer participants to the program.

VETERANS AFFAIRS

This department provides assistance to veterans and/or their dependents with filing claims for federal benefits with the Veterans Administration. These benefits consist of disability compensation, pensions for veterans, pensions for widows and/or minor children, federal burial allowances, headstones, government life insurance, educational and vocational programs and medical and dental outpatient treatment or hospitalization in Veterans Administration hospitals.

The Veterans' Affairs department also administers

the county burial allowance program, the soldiers' relief program and the Michigan Veterans Trust Fund. Special counseling is furnished on many problems affecting the veteran and/or his dependents.
