The 1997 Macomb County Directory Cover Selection Process

A photography contest, open to all Macomb County students, was held by County Clerk / Register of Deeds Carmella Sabaugh and Huntington Banks to choose the cover of this directory. This year's cover photograph was taken by Ms. Stefanie Allen, a student at Warren Woods Tower. In describing her photograph, she wrote:

"This picture was chosen because a tree is very symbolic of Macomb County. The trunk is strong and sturdy just like the citizens and leaders that make up the body of Macomb County. The branches stretch out and reach for the sky, which symbolize the large and small businesses, and diligent workers that strive so hard for what they want and need. The leaves serve as a safety blanket for the tree just like the police force, firefighters, and paramedics are a safety blanket for Macomb County. But, best of all, the sun is shining down, showing the world that this is a great place to live."

The winners of the photography contest are:

Stefanie Allen	Warren Woods Tower	First Place
Jamie McGuire	L'Anse Creuse High School	Honorable Mention
Sarah Earle	Anchor Bay High School	Honorable Mention
Jenny Rossmoore	L'Anse Creuse High School	Honorable Mention
Peter Ruthenberg	Armada High School	Honorable Mention

A Brief History of Macomb County

Named in honor of General Alexander Macomb, a highly decorated veteran of the War of 1812, Macomb County was formally organized on January 15, 1818 as the third County in the Michigan Territory. At that time, it covered a much larger area than it does today. In 1819 and 1820, large portions of the County were removed to form the Counties of Oakland, Lapeer, Genesee and St. Clair.

The first Europeans arrived in the area during the 17th century. They included French fur trappers who recognized the richness of the marshes and sought new opportunities for trade. The first organized, non-native settlement in the County was established in 1782 by Moravian missionaries as a refuge for Christianized Indians driven out of Ohio. They built along the banks of the Clinton River, then known as the Huron River, but were forced to leave four years later by the Chippewa Indians. In the late 1790s, Christian Clemens visited the area and in March, 1800, purchased a distillery considered the first building on the site of the future Mount Clemens. The next year he purchased 500 acres for development. This site, known as High Banks, was platted as the village of Mount Clemens in 1818, when it was proclaimed the Macomb County Seat.

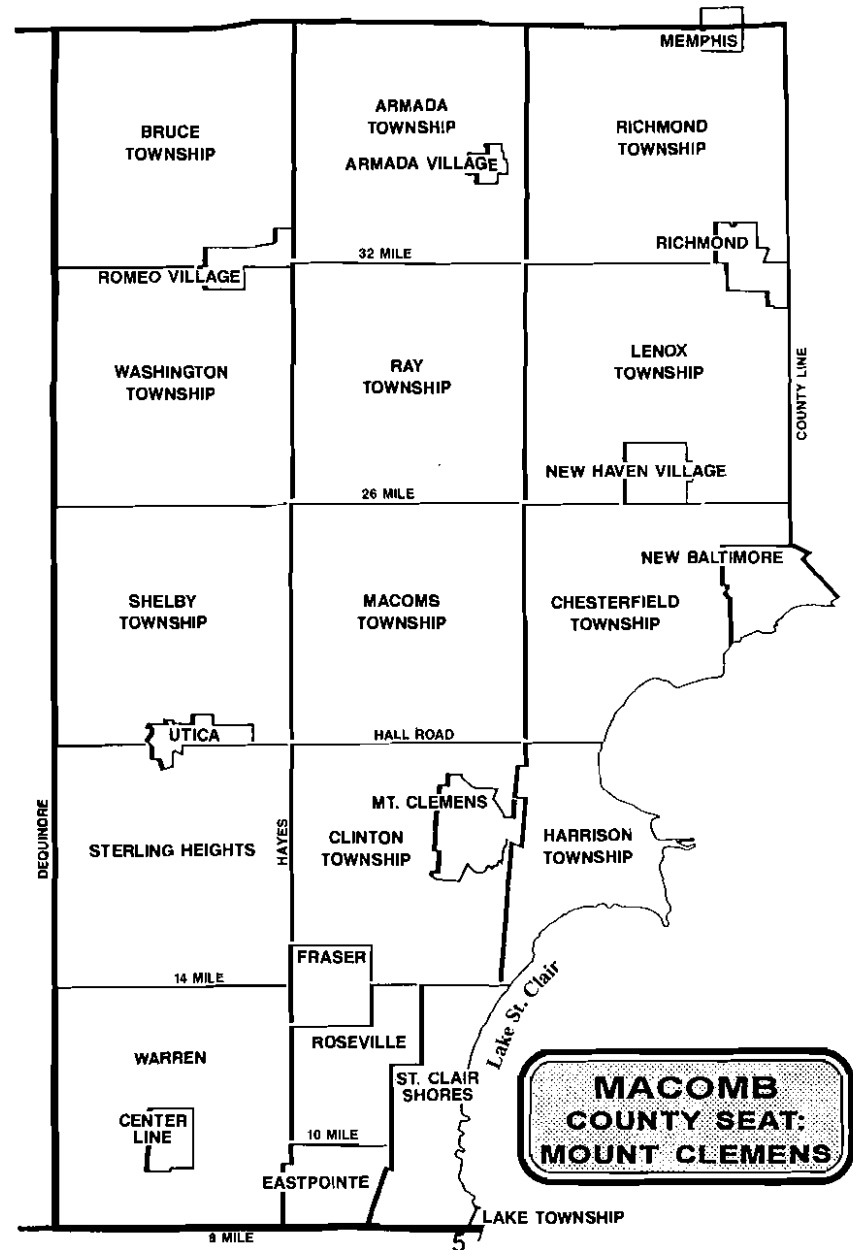

In the early 1800s, and at least by 1840, settlers moved into the interior of the County, carving out farms from the hardwood forests. The roots of the county villages and townships were established by this time. In addition to the original French and English, later settlers included Germans, Belgians and others who came directly from Europe.

In the 1870s, mineral baths brought international fame to Mount Clemens. Many believed the waters had healing powers. Although the stream still runs beneath the city, interest in the spas died out in the early 20th century.

Between 1920 and 1930, Macomb County doubled in population, rising from 38,103 to 77,146 persons. Two significant developments spurred this growth – the establishment of Selfridge Field in 1917, and the beginning of the urbanization movement northward from the City of Detroit. During the 1940's and 1950's the movement from the central city to the suburbs increased. The largest growth occurred between 1950 and 1970, when over 440,000 people were added to the County's population.

Today, Macomb County encompasses 482 square miles, and ranks third in population in the State, with a 1990 census total of 717,400 persons. The County is recognized as a leader in business and industry, and designated as a "Community of Economic Excellence" by the State.

The Circuit Court is the trial court of general jurisdiction in Michigan because of its broad powers. Circuit Court has jurisdiction over all actions except those given by State law to another court. Circuit Court has original jurisdiction in all civil cases involving more than \$10,000; in all criminal cases where the offense involves a felony or certain serious misdemeanors; and in all domestic relations cases, including divorce and paternity actions.

The State is divided into judicial circuits along County lines. Circuit judges are elected for six-year terms on non-partisan ballots. The Circuit Court also hears cases appealed from lower courts and from some administrative agencies of State government. MAJOR PARKS IN MACOMB COUNTY

Macomb County is often noted for its recreational opportunities, particularly its access to inland lakes and Lake St. Clair. There are four major public parks in the County where persons can enjoy a vast array of year-round, recreational activities. County residents are never far from leisure facilities. The major parks in Macomb County include:

Freedom Hill County Park

(810) 979-7010

Located in the city of Sterling Heights, this 100 acre park is easily accessible from all parts of the County. Freedom Hill sponsors many festivals and special events. The park includes the Independence Building, shelters, open-air amphitheater, tot lot, and games area. Visitors enjoy picnicking and related activities on the grounds. The air-conditioned Independence Building, complete with caterer, can be rented for business meetings and social gatherings.

Metro Beach Metropark

(810) 463-4581

At 770 acres, Metro Beach offers 1.25 miles of Lake St. Clair frontage. Facilities include a large lake beach area, swimming pool with water slide, tot lot and play areas, picnic areas and shelters, three marinas, a nature interpretive area, a paved hike/bike trail, boat launch, an 18-hole par 3 golf course, and an 18-hole adventure golf course. An open-air pavilion offers day and evening concerts during the summer months. In the winter, park users enjoy ice fishing, ice skating, and cross-country skiing, weather permitting.

Stony Creek Metropark

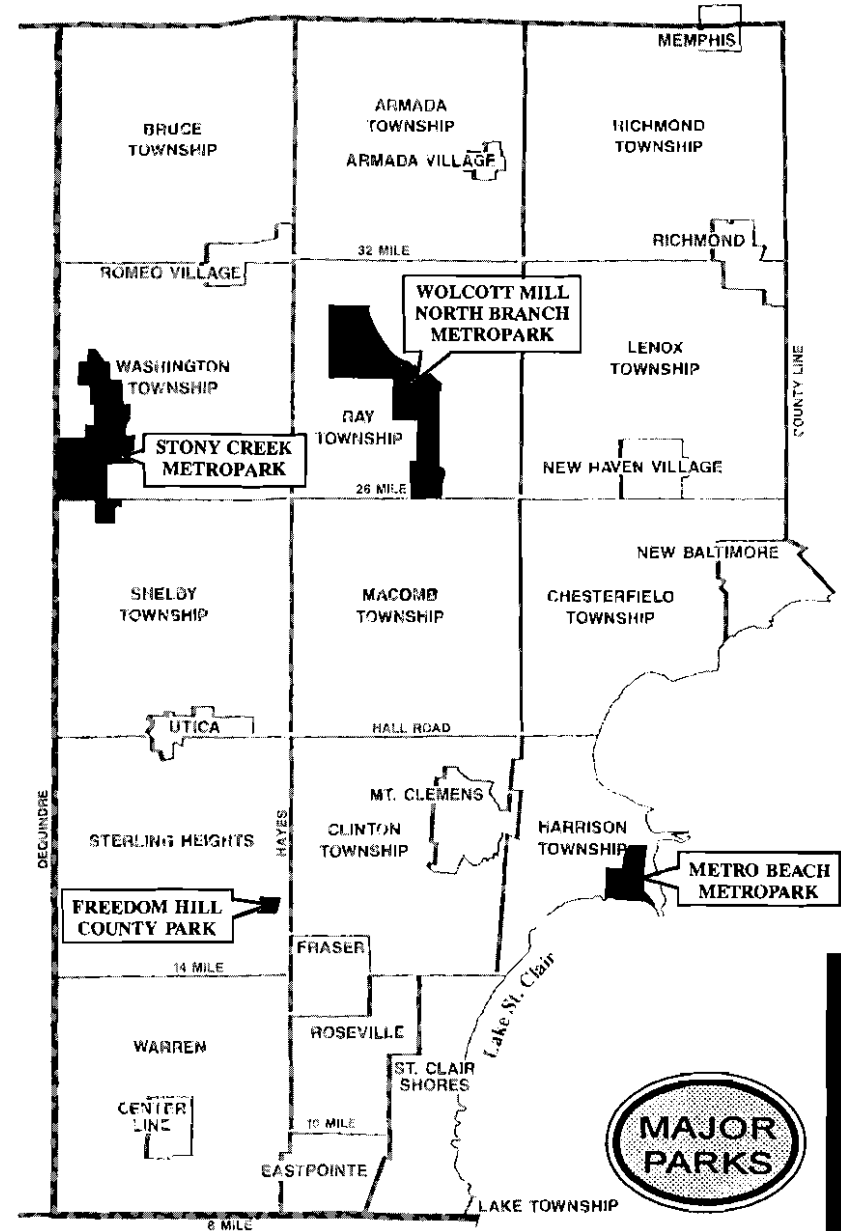

(810) 781-4242

Built around the 500 acre Stony Creek Lake in gently rolling terrain, this 4,461 acre metropark offers many recreational activities, including nine large picnic areas, an 18-hole championship golf course, nature interpretive area, two swimming beaches, play areas, boat launch, and boat rentals. Ten miles of paved roads and over six miles of hike/bike trails provide scenic tours. Winter visitors can enjoy cross-country skiing, sledding, and ice skating.

Wolcott Mill Metropark

(810) 749-5997

Now open year-round, this park highlights a historic grist mill on the Clinton River in Ray Township. Situated in a pristine, natural setting, the park offers group tours of the mill and historical programs. A short nature trail is also located near the mill. Currently under development is the Farm Learning Center, covering over 200 acres about 1.5 miles north of the mill, that will demonstrate modern farming practices, house a small dairy herd and other farm animals, and exhibit sample fields of various agricultural crops.

## NOTES

### ***Pledge of Allegiance***

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.

### ***The Star Spangled Banner National Anthem***

O say can you see,  
by the dawn's early light,

What so proudly we hailed  
at the twilight's last gleaming,

Whose broad stripes and bright stars  
through the perilous flight

O'er the ramparts we watched,  
were so gallantly streaming

And the rockets red glare,  
the bombs bursting in air,  
gave proof through the night  
that our flag was still there.

O say does that star-spangled banner yet wave  
O'er the land of the free  
and the home of the brave.

- Francis Scott Key
