BRIEF HISTORY OF MACOMB COUNTY

Named in honor of General Alexander Macomb, a highly decorated veteran of the War of 1812, Macomb County was formally organized on January 15, 1818 as the third county in the Michigan territory. At that time, it covered a much larger area than it does today. In 1819 and 1820, large portions of the county were removed to form the counties of Oakland, Lapeer, Genesee and St. Clair.

The first Europeans arrived in the area during the 17th century. They included French fur trappers who recognized the richness of the marshes and sought new opportunities for trade. Moravian missionaries established the first organized, non-native settlement in the county in 1782 as a refuge for Christianized Indians driven out of Ohio. They built along the banks of the Clinton River, then known as the Huron River, but were forced to leave four years later by the Chippewa Indians. In the late 1790s, Christian Clemens visited the area, and in March 1800, purchased a distillery considered the first building on the site of the future Mount Clemens. The next year he purchased 500 acres for development. This site, known as High Banks, was platted as the Village of Mount Clemens in 1818, when it was proclaimed the Macomb County Seat.

In the early 1800s, and at least by 1840, settlers moved into the interior of the county, carving out farms from the hardwood forests. The roots of the county villages and townships were established by this time. In addition to the original French and English, later settlers included Germans, Belgians and others who came directly from Europe.

In the 1870s, mineral baths brought international fame to Mount Clemens. Many believed the waters had healing powers. Although the stream still runs beneath the city, interest in the spas died out in the early 20th century. Recently, there has been a reemergence of interest in the mineral baths now being offered at Henry Ford Macomb-East Campus in Mount Clemens.

Between 1920 and 1930, Macomb County doubled in population, rising from 38,103 to 77,146 persons. Two significant developments spurred this growth – the establishment of Selfridge Field in 1917, and the beginning of the urbanization movement northward from the City of Detroit. During the 1940s and the 1950s the movement from the central city to the suburbs increased. The largest growth occurred between 1950 and 1970, when over 440,000 people were added to Macomb County's population.

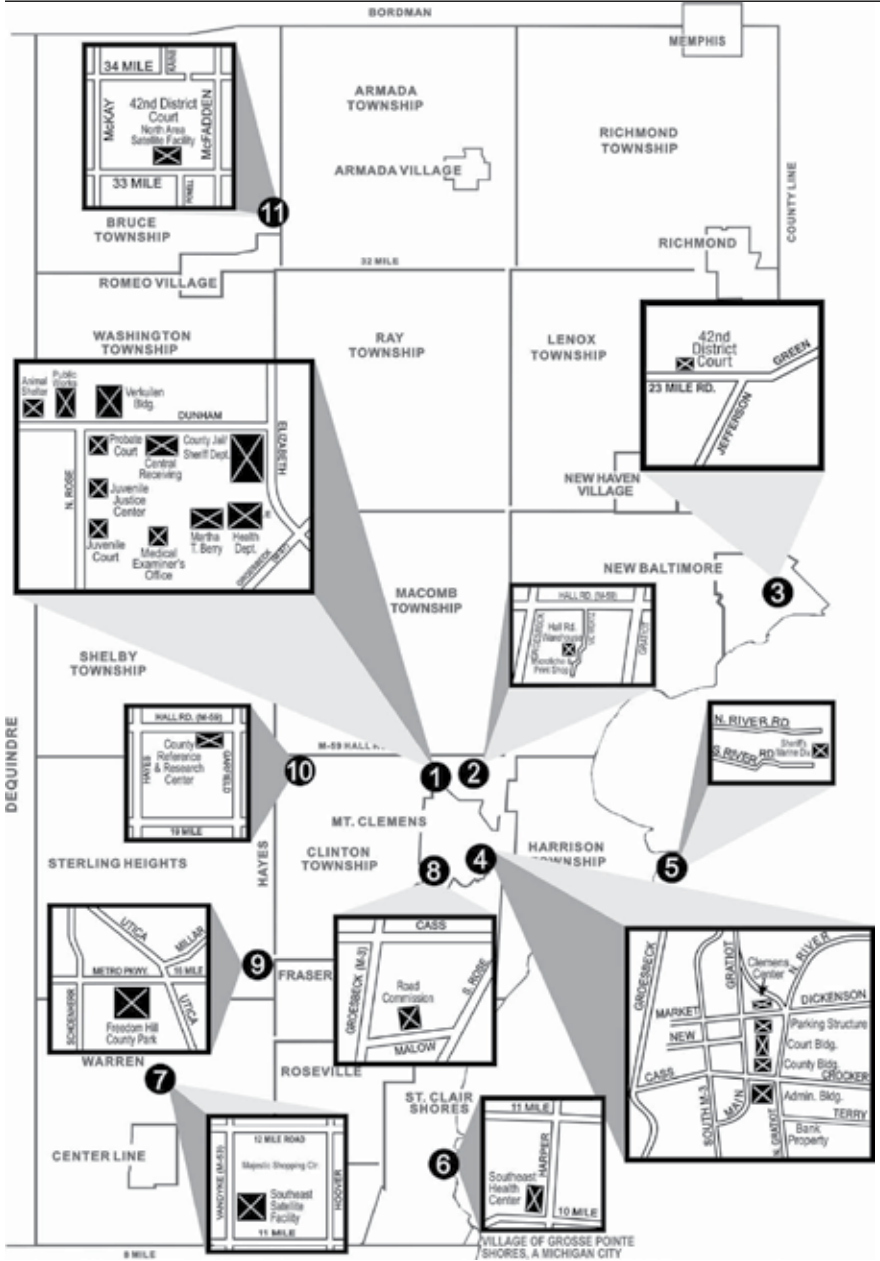

Today, Macomb County encompasses 482 square miles, and ranks third in population in the state, with a 2000 census total of 788,149 persons. The county is recognized as a leader in business and industry, and designated as a "Community of Economic Excellence" by the State of Michigan

History prepared in consultation with the Macomb County Historical Society and Crocker House Museum.

Circuit Court judges are elected to six-year terms on non-partisan ballots. The Family Division handles all domestic relations matters. MACOMB COUNTY DISTRICT COURTS

District Courts have exclusive jurisdiction of all civil litigation up to \$25,000 and also handle garnishments, eviction proceedings, land contract forfeitures, civil infractions, and other proceedings. For criminal cases, the district court conducts preliminary examinations in felony cases and handles all misdemeanors where punishment does not exceed one year in jail including arraignment, sentence, and setting and acceptance of bail. District judges may appoint magistrates. The magistrates may set bail and accept bonds in criminal matters, accept guilty pleas, sentence for traffic, motor carrier, dog, game, snowmobile and boat law violations, and issue arrest and search warrants. Attorney magistrates may hear small claims cases. Magistrates may, at the direction of the Chief Judge, perform other duties allowed by statute.

Municipal Court civil jurisdiction is limited to \$1,500. Its criminal jurisdiction is similar to district court. Municipal judges must be lawyers, residents, and electors of their cities. They are paid by the municipality and are elected for four-year terms as provided by city charter. They are part-time judges and may practice law outside of the courtroom.

MAJOR MACOMB COUNTY PARKS

Macomb County is often noted for its recreational opportunities, particularly its access to inland lakes and Lake St. Clair. There are three major public parks in the County and our new linear park, the Macomb Orchard Trail, where people can enjoy a vast array of year-round recreational activities. County residents are never far from leisure facilities.

These major parks include:

Macomb Orchard Trail (586) 979-7010

This up and coming hike and bike path is a 24-mile linear park that starts at 24 Mile Road and Dequindre in Shelby Township and travels northeast to the City of Richmond. Phase I is now open consisting of 7.5 miles through Shelby and Washington Townships. Once completed the trail will link to 180 miles of trails in southeast Michigan.

Metro Beach Metropark (586) 463-4581

Scenic Metro Beach Metropark offers a mile-long shoreline on Lake St. Clair. This 770-acre park features a 1,000-foot sandy beach, an Olympic-size swimming pool with two waterslides, the "Squirt Zone" sprayground, children's play areas, picnic areas and shelters, three marinas, day sail area, nature center, nature trails, paved hike/bike trail, boat launches, an 18-hole par 3 golf course and an 18-hole adventure golf course. Winter activities include ice fishing, ice skating and cross-country skiing.

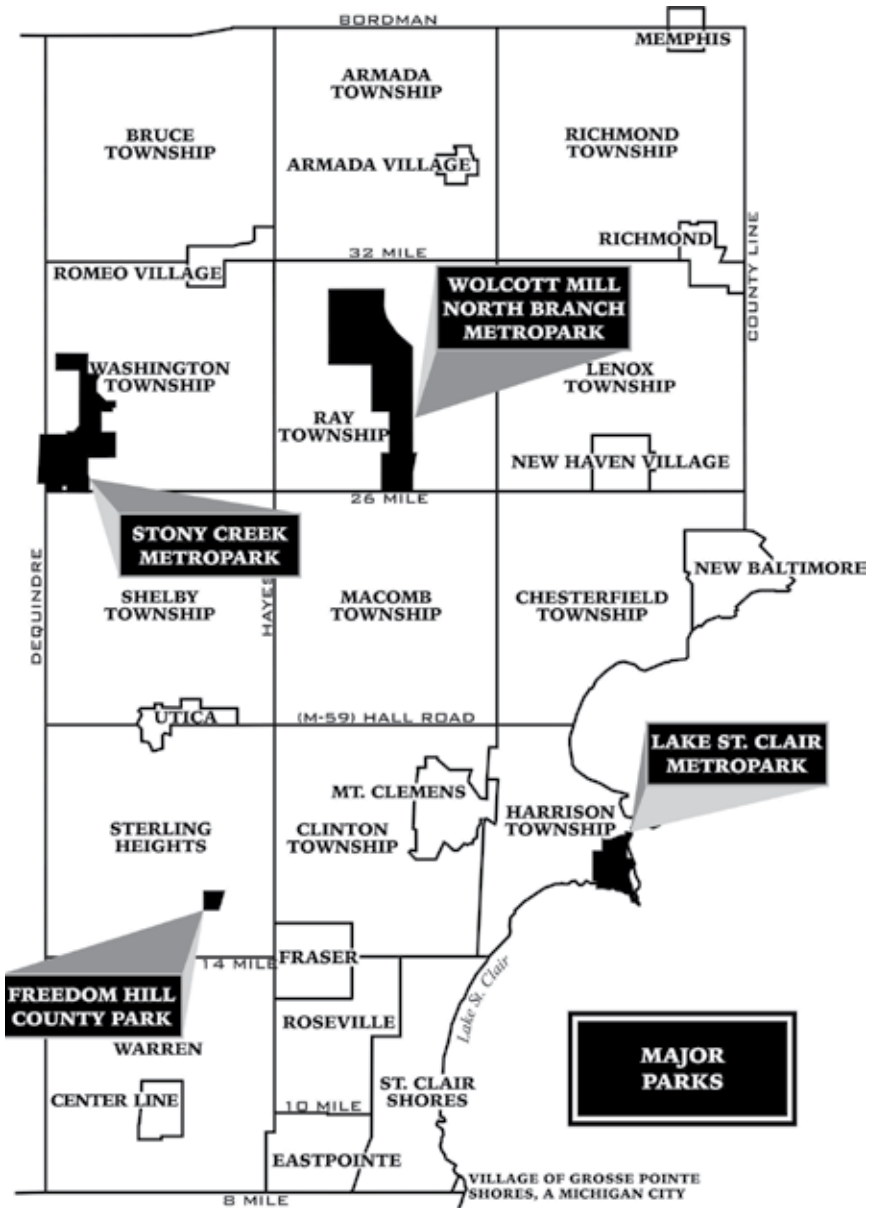

Stony Creek Metropark (586) 781-4242

Built around the 500-acre Stony Creek Lake in gently rolling terrain, this 4,461-acre metropark offers many recreational activities, including nine large picnic areas, an 18-hole regulation golf course, nature center, a nature interpretive area, 24-hole disc golf course, two swimming beaches, play areas, boat launch, and boat rentals. An 8 mile paved hike/bike trail circles Stony Creek Lake. Mountain bikers can ride on 14 miles of hilly, heavily wooded dirt trails that traverse the southwest side of the park. Hiking trails are located near the Nature Center and north of Inwood Road (separate entrance). Winter visitors can enjoy cross-country skiing, sledding, and ice-skating.

Wolcott Mill Metropark (586) 749-5997

Located along the banks of the North Branch of the Clinton River in Ray Township, this 2,625-acre park features a Farm Center, historic grist mill and an 18-hole regulation golf course. Ten miles of equestrian trails and a rental facility for parties available at Camp Rotary. Visit the Farm Center to see a modern working farm, complete with horsees, goats, sheeps and ducks. The dairy herd is milked daily at 10 a.m., April 1 through October 31; and at 4:30 p.m., November 1 through March 31. The grist mill offers a rare glimpse of Macomb County's historic past and is listed on the National Register of Historic Places. Mill quilting bee and car club meet monthly. Interpretive programs are offered at the mill and the farm. The Historic Center (grist mill and surrounding buildings) is open Friday - Sunday and other times by appointment.
