If you have come across this publication, you are most likely looking for something. Maybe you want to start a business? Have an interest in volunteer opportunities? How about a marriage license? Regardless of your objective, this directory will help you better navigate Macomb County government.

More than four years ago, the residents of Macomb County resoundingly supported a new executive form of government, and I was given the opportunity to be the leader of this great county. During my time as county executive, we have transformed county government by making it more economical, efficient and ethical. As one of the fastest growing counties in the state of Michigan, we are continually working to enhance the services we provide. With the help of the countywide elected officials and the Board of Commissioners, we have created a service network that is responsive to the needs of its residents. Each day we strive to impact the lives of the people that live, work and play in Macomb County. This publication illustrates the true reach and impact of county government. From Animal Control to the Department of Roads, the commitment and professionalism of Macomb County's employees is helping us respond to the opportunities and challenges of each day.

One of my responsibilities, and true passions, is promoting Macomb County. In hopes of generating more awareness and activity, we created "Make Macomb Your Home". This countywide branding and marketing campaign is helping us showcase the great things happening here each day. Using www.makemacombyourhome.com as a virtual catalogue of all that is good in Macomb County, we are better connecting people to the place they call home. This award-winning branding and marketing campaign is helping us tell our amazing story, and is creating a new found sense of pride in Macomb County. Whether you are looking for a new home or interested in exploring our many quality of life assets, Make Macomb Your Home is a great place to get informed and stay connected.

We possess some incredible assets that illustrate the true character and identity of the great people of Macomb County. From Lake St. Clair to our traditional downtowns, Macomb County has a wide array of distinct places and experiences. We, as residents, businesses owners, public servants and volunteers, have a unique opportunity to come together, communicate the good news and be ambassadors for Macomb County. Whether we go out of our way to shop at the local farmers market, or take a visitor for a paddle down the Clinton River, each of us can take the steps to promote Macomb County's assets. By building on our strong sense of community, we can support the place we call home. We can take pride in what is happening in our own community and advocate for our fellow neighbors.

I am incredibly proud of what we have accomplished, but I realize that there is so much more that can be done. Each day I interact with exceptional people, explore special places and witness inspirational passions. These experiences illustrate the amazing amount of potential here in Macomb County, and together we can achieve so much more.

BRIEF HISTORY OF MACOMB COUNTY

Named in honor of General Alexander Macomb, a highly decorated veteran of the War of 1812, Macomb County was formally organized on January 15, 1818 as the third county in the Michigan territory. At that time, it covered a much larger area than it does today. In 1819 and 1820, large portions of the county were removed to form the counties of Oakland, Lapeer, Genesee and St. Clair.

The first Europeans arrived in the area during the 17th century. They included French fur trappers who recognized the richness of the marshes and sought new opportunities for trade. Moravian missionaries established the first organized, non-native settlement in the county in 1782 as a refuge for Christianized Indians driven out of Ohio. They built along the banks of the Clinton River, then known as the Huron River, but were forced to leave four years later by the Chippewa Indians. In the late 1790s, Christian Clemens visited the area, and in March 1800, purchased a distillery considered the first building on the site of the future Mount Clemens. The next year he purchased 500 acres for development. This site, known as High Banks, was platted as the Village of Mount Clemens in 1818, when it was proclaimed the Macomb County Seat.

In the early 1800s, and at least by 1840, settlers moved into the interior of the county, carving out farms from the hardwood forests. The roots of the county villages and townships were established by this time. In addition to the original French and English, later settlers included Germans, Belgians and others who came directly from Europe.

In the 1870s, mineral baths brought international fame to Mount Clemens. Many believed the waters had healing powers. Although the stream still runs beneath the city, interest in the spas died out in the early 20th century. Recently, there has been a reemergence of interest in the mineral baths now being offered at Henry Ford Macomb-East Campus in Mount Clemens.

Between 1920 and 1930, Macomb County doubled in population, rising from 38,103 to 77,146 persons. Two significant developments spurred this growth – the establishment of Selfridge Field in 1917, and the beginning of the urbanization movement northward from the City of Detroit. During the 1940s and the 1950s the movement from the central city to the suburbs increased. The largest growth occurred between 1950 and 1970, when over 440,000 people were added to Macomb County's population.

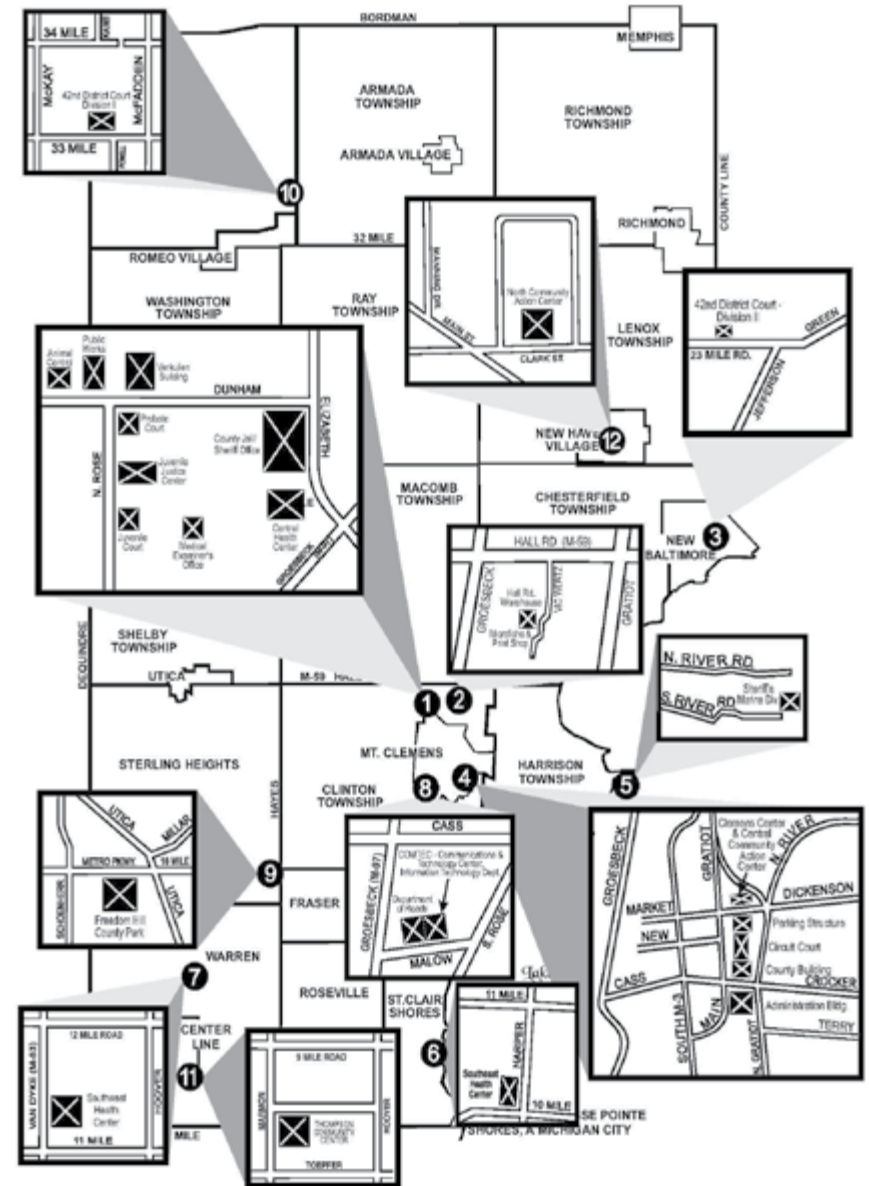

Today, Macomb County encompasses 482 square miles, and ranks third in population in the state, with a 2010 census total of 840,978 persons. The county is recognized as a leader in business and industry, and designated as a "Community of Economic Excellence" by the State of Michigan.

History prepared in consultation with the Macomb County Historical Society and Crocker House Museum.

MACOMB COUNTY DISTRICT COURTS

District Courts have exclusive jurisdiction of all civil litigation up to \$25,000 and also handle garnishments, eviction proceedings, land contract forfeitures, civil infractions, and other proceedings. For criminal cases, the district court conducts preliminary examinations in felony cases and handles all misdemeanors where punishment does not exceed one year in jail including arraignment, sentence, and setting and acceptance of bail. District judges may appoint magistrates. The magistrates may set bail and accept bonds in criminal matters, accept guilty pleas, sentence for traffic, motor carrier, dog, game, snowmobile and boat law violations, and issue arrest and search warrants. Attorney magistrates may hear small claims cases. Magistrates may, at the direction of the Chief Judge, perform other duties allowed by statute.

Municipal Court civil jurisdiction is limited to \$1,500. Its criminal jurisdiction is similar to district court. Municipal judges must be lawyers, residents, and electors of their cities. They are paid by the municipality and are elected for four-year terms as provided by city charter. They are part-time judges and may practice law outside of the courtroom.

MAJOR PARKS

Macomb County is often noted for its recreational opportunities, particularly its access to inland lakes and Lake St. Clair. There are three major public parks in the County and our new linear park, the Macomb Orchard Trail, where people can enjoy a vast array of year-round recreational activities. County residents are never far from leisure facilities.

Lake St. Clair Metropark (586) 463-4581

Scenic Lake St. Clair Metropark offers a mile-long shoreline on Lake St. Clair. This 789-acre park features a 700-foot sandy beach, a 50-meter swimming pool with two waterslides, a poolside rock climbing wall and an inflatable water obstacle course, the Squirt Zone sprayground, children's play areas, picnic areas and shelters, marinas, a nature center, nature trails, a paved hike-bike trail, boat launches, an 18-hole par-3 golf course (which also doubles as a foot golf course) and the 18-hole Shipwreck Lagoon miniature golf course. The day sail launch provides opportunities to launch jet skis, kiteboards, windsurfers and ice boats. The park is a top bird-watching site with more than 230 commonly-seen species. Winter activities include ice fishing, ice skating, sledding and cross-country skiing.

Stony Creek Metropark (586) 781-4242

Built around the 600-acre Stony Creek Lake in gently rolling terrain, this 4,435-acre park offers many recreational activities, including ten large picnic areas, an 18-hole regulation golf course and driving range, a nature center, a nature interpretive area, a 36-hole disc golf course, two swimming beaches, play areas, a boat launch and boat rentals. A 6-mile paved hike-bike trail circles Stony Creek Lake. Mountain bikers can ride on 17 miles of hilly, heavily wooded dirt trails that traverse the southwest side of the park and the Trolley Trails area. The Trolley Trails area also offers a mountain biking skills course. Hiking trails are located near the Nature Center and north of Inwood Road (separate entrance). Winter visitors can enjoy cross-country skiing, sledding, ice skating and ice fishing.

Wolcott Mill Metropark (586) 752-5932

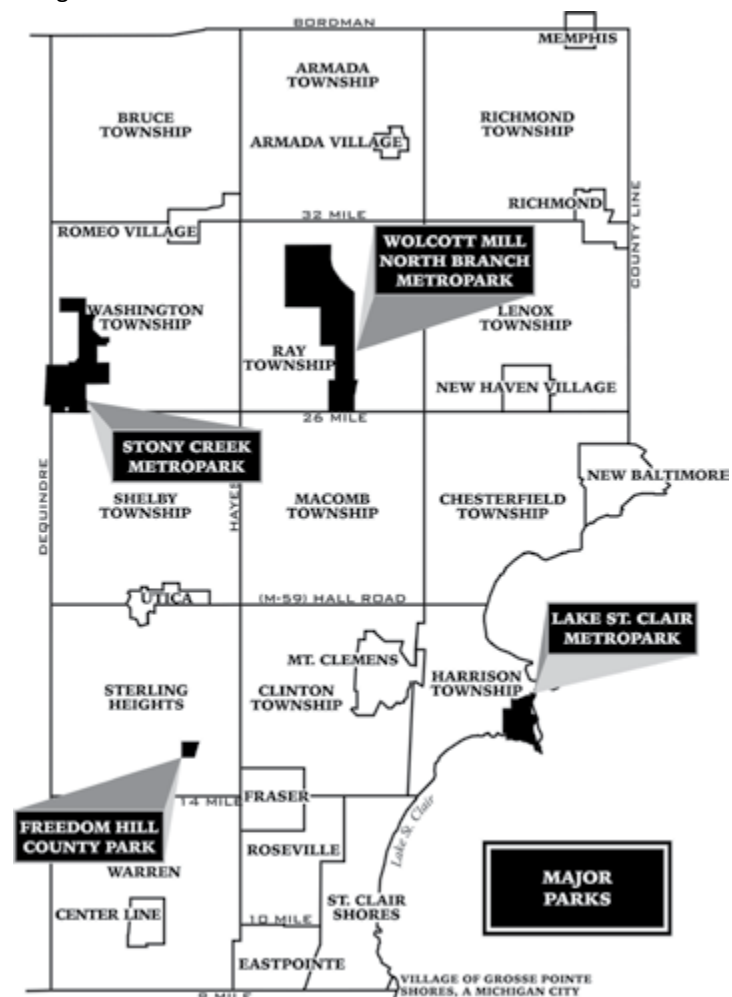

Located along the banks of the North Branch of the Clinton River in Ray Township, this 2,850-acre park features farm center, historic grist mill and an 18-hole regulation golf course and driving range. Ten miles of equestrian trails and a rental facility for parties are available at Camp Rotary. Visit the farm center to see a modern 250-acre working farm, complete with horses, goats, sheep and ducks. The dairy herd is milked daily at 10 am, April 1 through October 31; and at 9 am, November 1 through March 31. The Grist Mill offers a rare glimpse of Macomb County's historic past and is listed on the National Register of Historic Places. Three miles of nature trails can be accessed from the Historic Center parking lot. Interpretive programs are offered at the mill and the farm. The Historic Center (the grist mill and surrounding buildings) is open Friday through Sunday and other times by appointment. The grounds are open daily 9 am-5 pm.
